PROGRAM NARRATIVE

Link to Strategy:

Implements Key Strategy #4: "Continually assess trends affecting the community and proactively respond".

Objectives:

Reach Out and Read (ROR) is a research-based and evidence-based national program that puts books in the hands of families and children through their pediatricians. The doctors use the books to help facilitate developmental screenings and also to provide families with information on how important it is to read to their small children. The books are provided to children aged birth to five years and the program in the Fox Cities includes Appleton, Neenah, Menasha and the surrounding region.

The Library is a United Way Agency for the ROR program, which has been supported by grants from the United Way since its inception in 2016. A strategic planning process involving the participating clinics and a professional facilitator was completed in 2017 to establish an ongoing funding model for the program. The United Way will continue to support ROR overall but the various clinics have begun to reimburse the program for the books they distribute to patients. The physician liaison working for this program continues to coordinate the selection and purchase of all books and all clinics sign an MOU committing to fund the books they distribute in well-child visits.

Major changes in Revenue, Expenditures, or Programs:

The library will no longer be the coordinating organization for Reach Out and Read - Fox Cities. This program has been transitioned to Reach Out and Read Wisconsin.
