WHEREAS secondhand dealers allow our residents access to necessities, clothing, entertainment and more that they might not be able to find or afford elsewhere.

AND WHEREAS the City of Appleton currently requires secondhand dealers to hold purchased items for a minimum of 21 days before allowing them to be resold.

AND WHEREAS Wisconsin State Statute 134.71 allows municipalities to reduce that holding period to seven days if daily reports of purchased items are submitted electronically.

AND WHEREAS municipalities both within the Fox Valley and around the state have reduced their waiting period to seven days, putting current and prospective secondhand businesses in the City of Appleton at a potential competitive disadvantage.

THEREFORE BE IT RESOLVED that the City of Appleton shall adopt electronic reporting of secondhand purchases and reduce the holding period to seven days, pursuant to State Statute 134.71.

Ald. Konetzke suggests notifying the current secondhand dealers in the City to advise that we're examining revising the ordinance.

Ald. Konetzke motions to hold until the January 13th meeting to allow for these businesses to be notified of the proposed change.

Konetzke moved, seconded by Williams, that the Resolution be held. Roll Call. Motion carried by the following vote:
