Re: Recommended award of the *Unit P-23* Pavement Marking Maintenance Contract (Epoxy)

Quotes were opened for the *Unit P-23 Pavement Marking Maintenance Contract* on June 8, 2023, as a means of establishing unit prices for this annual maintenance contract, which generally involves the installation and replacement of durable epoxy longitudinal and transverse pavement markings throughout the City.

Quotes were solicited from the only two contractors that provide this service in Wisconsin that we have had positive experiences with. Brickline, Inc., of Madison, Wisconsin, submitted the low quote in the total amount of \$85,488.05 (~2% higher than our engineer’s estimate), which is well within an acceptable range.

Based on this, we recommend award of the contract to Brickline, Inc., in an amount not to exceed \$95,488.05 (which includes an additional \$10,000 for unanticipated work). This dollar amount is based on the combination of available budgeted funds for pavement marking maintenance and pavement markings that will be completed for other city projects.
