### Petition to over turn approved bike lanes on Fremont St. between Kernan Ave. to Telulah Ave in Appleton, WI

The City of Appleton has plans to install new bike lanes along E. Fremont Street between Oneida Street to Telulah Avenue. The Common Council has already approved the section between Kernan Avenue to Telulah Avenue. This petition is to have the decision over turned for the already approved section between Kernan Avenue to Telulah Avenue. This must be over turned to ensure that no bike lanes are added to E. Fremont Street.

By signing this form, you acknowledge you are over the age of 18 and you understand that this is a petition against the proposal of bike lanes between Kernan Avenue to Telulah Avenue.

We will be supplying this petition to the City of Appleton Common Council to indicate your representation against this proposal. The next meeting regarding this proposal is on March 11, 2014 at 5:30 pm.
