Re: Our ref: 11500  
Contest of Recommendation of Denial of License

Dear Ms. Molitor,

Our firm represents Taste of Thai Appleton, LLC (d/b/a Mad Elephant) ("ToT"), located at 1222 South Oneida Street in Appleton. We are in receipt of a letter from you to Chisa Jitmaiwong, dated August 4, 2025.

In your letter, you indicate that "[t]he Police & Inspections Departments have recommended that [ToT's] application for a Mechanical Amusement Device License be **denied.**" (Emphasis in original.) You further invited Chisa to contact the City Clerk's Office within 30 days of receipt of the letter to be placed on the agenda of the Safety and Licensing Committee, if ToT wished to appear and contest the recommendation.

By this letter, ToT is contacting you within 30 days of your letter date to be placed on the Agenda of the Appleton Safety and Licensing Committee. We understand that committee meets regularly on the second and fourth Wednesdays of each month. We are, on even date herewith, sending public records requests to the Appleton Police Department and the Inspections Department, because we are as yet unaware of the documents or things reviewed and/or relied upon by either department in developing their respective recommendations.

We suggest that responses to the records requests will more fully develop the record for review and discussion with the Committee. Because the next Committee meeting is only 8 days from the date of this letter, we suggest placing the matter on the Committee

agenda for 9/24/25. Such scheduling, we think, would provide adequate time for the respective departments to respond to the public records requests.

I thank you in advance for your assistance. Should you have any questions, or if there is further information that you require, please feel free to contact me by telephone to discuss.

Best regards,
