

## TAX INCREMENT DISTRICT NO. 11 DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (the "Agreement") is dated as of the \_\_\_\_ day of \_\_\_\_\_, 2023, by and among Oshkosh Investment LLC, a Wisconsin limited liability company and Lofgren Properties 6 LLC, a Wisconsin limited liability company ("Developer") and the City of Appleton, a Wisconsin municipal corporation (the "City").

### RECITALS

Developer and the City acknowledge the following:

A. Developer owns the real property located 200 West College Avenue, (Parcel 31-2-0263-00) Appleton, WI more particularly described in Exhibit A, attached hereto (hereafter the "Property").

B. The Property is located within the City in Tax Increment District #11 (the "District") which was created in 2017 pursuant to Section 66.1105, Wis. Stats. along with a plan for the redevelopment of the District (the "District Plan") that provides for, among other things, the financial assistance set forth in this Agreement.

C. Subject to obtaining the financial assistance set forth herein, Developer has proposed improvements to the Property to create an approximately one floor lower level entertainment area, one floor of commercial/retail space and two floors consisting of approximately twenty-four (24) market rate living units offering efficiency, one, and two bedrooms with approximate square footage ranging from 448 to 1,791 per unit (the "Project"). All references to the Project include the Property.

D. The City has determined that the Project will spur economic development, expand the City's tax base and create new jobs; that such financial assistance is a Project Cost under the Tax Incremental Law; that the amount of financial assistance provided pursuant to this Agreement is the amount necessary to induce development of the Project; and, that the Project will not proceed without the financial assistance set forth in this Agreement.

E. Subject to obtaining financial assistance as set forth herein, Developer intends to undertake a redevelopment of the property that will increase the value of the Property and provide other tangible benefits to the surrounding neighborhoods and to the City as a whole, consistent with the District Plan. The City finds that this redevelopment of the Property and the fulfillment, generally, of the terms and conditions of this Agreement are in the vital and best interests of the City and its residents and serves a public purpose in accordance with state and local law.

F. The City, pursuant to Common Council Action dated \_\_\_\_\_, 2023 has approved this Agreement and authorized the execution of this Agreement by the proper City officers on the City's behalf.

G. The Developer has approved this Agreement and authorized the appropriate officers to execute this Agreement on the Developer's behalf.

H. The base value of the Property for purposes of this Agreement, including calculating increment generated by the Project, is Two Million One Hundred Five Thousand Seven Hundred Dollars (\$2,105,700). The Developer estimates the project will create up to an additional Four Million, Forty-four Thousand Three Hundred Dollars (\$4,044,300) in incremental value.

I. All terms that are capitalized but not defined in this Agreement and that are defined under the Tax Increment Law shall have the definitions assigned to such terms by the Tax Increment Law.

## **AGREEMENT**

NOW, THEREFORE, in consideration of the Recitals and the promises and undertakings set forth herein, the parties mutually agree and covenant as follows:

### **ARTICLE I UNDERTAKINGS OF THE DEVELOPER**

1.1 Developer's Project shall include improvements to, and development of, the Property as set forth in Exhibit B that will result in an increase in the Property's assessed value. All aspects of the Project shall be in accordance with all applicable City zoning and building codes, ordinances and regulations.

1.2 Project Costs shall include, without limitation, costs incurred after approval of this agreement for the construction of improvements (including infrastructure improvements), environmental remediation costs, demolition, interior remodeling and development of the project.

1.3 Developer warrants and represents to the City that but for the assistance provided by the City under Article II, herein, Developer would not be able to proceed with the Project.

1.4 Developer and City acknowledge that several of the specific undertakings of the parties may require approvals from directors, boards or the City Council as applicable. The parties' agreements are conditioned upon the obtaining of all such approvals in the manner required by law. The parties cannot assure that all such approvals will be obtained; however, they agree to use their best good faith efforts to obtain them on a timely basis.

### **ARTICLE II UNDERTAKINGS OF THE CITY**

2.1 The City shall appropriate sufficient funds for the performance of the City's obligations under this Agreement.

2.2 City shall cooperate with Developer throughout the Project and shall promptly review and/or process all submissions and applications in accordance with applicable City ordinances.

2.3 Subject to all of the terms, covenants and conditions of this Agreement and applicable provisions of law, and as an inducement by the City to Developer to carry out the Project, upon completion of the Project (which shall be defined as issuance of occupancy permits for all floors of the Project (hereafter "completion")) the City will provide payments to Developer solely from the future Tax Increments (derived from both real and personal property) to assist with

Developer's Project Costs. The City's total payment of Tax Increment Revenue to the Developer shall not exceed the lesser of i) \$745,185 or ii) 18.43% of the Tax Increment Value as of January 1, 2025, plus interest thereon (the "Contribution").

The Contribution will be paid to Developer as follows:

2.3.1 As the sole source for payment of the Contribution, the City agrees to pay the Developer an amount equal to ninety percent (90%) of the Tax Increment Revenue attributable to, and actually received from, the Property during the calendar year.

2.3.2 Payments under this Agreement shall be due in annual installments on August 15 of the calendar year following the first tax year after completion of the Project and continuing on each August 15 thereafter for a period of time described in Sec. 4.2

2.3.3 Interest on the Contribution shall begin to accrue upon completion of the Project. The interest rate on the Contribution shall be lesser of 1) the interest rate paid by the Developer to the primary lender for the Project, as evidenced by the note indicating the loan amount; or, 2) six percent (6%).

2.3.4 The Contribution shall be a special and limited obligation of the City and not a general obligation. Payments shall first apply to accrued interest and then to the principal balance of the Contribution. Unpaid interest in any year shall be added to the principal balance of the Contribution and accrue interest. The City may prepay the Contribution, in its sole discretion, at any time, with no prepayment penalty.

2.4 This Agreement fully evidences the City's obligation to pay the Contribution. No separate instrument will be prepared to evidence the City's obligation to pay the Contribution. The Contribution shall not be included in the computation of the City's statutory debt limitation because the Contribution is limited and conditional and no taxes will be levied or pledged for its payment. Nothing in this Agreement shall be deemed to change the nature of the City's obligation from a limited and conditional obligation to a general obligation.

2.5 The City covenants to Developer that until the Contribution plus interest thereon has been paid in full, the City shall not close the District prior to its statutory expiration date.

2.6 The City shall, upon Developer's request, provide to Developer an accounting of the status of the District including, but not limited to, the outstanding principal balance of the Contribution and annual Tax Increments received from the District.

2.7 Developer hereby acknowledges that, as a result of the special and limited nature of the City's obligation to pay the Contribution, Developer's recovery of the full amount of the Contribution depends on factors including, but not limited to, future mill rates, changes in the assessed value of the Property, the failure of the Property to generate the Tax Increments at the rate expected by Developer, reduction in Tax Increments caused by revenue-sharing, changes in the Tax Increment Law, and other factors beyond the City's and/or Developer's control.

ARTICLE III  
PAYMENT OF TAXES

3.1 As long as the District is in existence, the Property and all buildings and improvements thereon shall be owned and taxable for real estate tax and special assessment purposes. The City may waive any or all of the restrictions upon execution of a payment in lieu of taxes (PILOT) agreement on a form acceptable to the City.

3.2 Throughout the duration of this agreement, all ad valorem property taxes properly assessed against the Property will be paid timely and in full.

3.3 In the event that any property owned by Developer within the District becomes exempt from ad valorem property taxes during the life of the District, then for the remaining life of the District, the Developer will make (or cause to be made) annual payments in lieu of taxes in amounts equal to what the ad valorem property taxes would have been for such other property had it not been exempt. If the Developer conveys the Property within the District to any party (related or unrelated), the terms of such sale shall impose as a covenant upon all successor owners of the property the foregoing obligation for payments in lieu of taxes during the life of the District. The City shall be a beneficiary of such covenant and entitled to enforce same against the successor owners.

ARTICLE IV  
CONDITIONS TO PAYMENT; TERMINATION OF AGREEMENT

4.1 The City shall have no obligation to pay any portion of the Contribution to Developer unless and until all of the following conditions shall have been met:

4.1.1 The Project's completion on or before December 31, 2024 subject to reasonable extensions, not to exceed six (6) months each, for Force Majeure which shall include, but not be limited to, any delays caused by pandemic or other acts beyond the reasonable control of the Developer. Such extensions shall be by mutual written agreement and, in considering any requested extension, the City and Developer agree that each will act in good faith, cooperate in expeditious and timely approvals, and said extensions shall not be unreasonably withheld, conditioned or delayed by City.

4.1.2 The Property's assessed value is no less than Six Million Dollars (\$6,000,000) on or after January 1, 2025.

4.2 This Agreement, and the City's obligation to make, or continue, any payments of the Contribution, shall terminate when any of the following shall have occurred:

4.2.1 The conditions in Section 4.1 are not met.

4.2.2 The Contribution is paid in full or August 15, 2039, whichever occurs first.

ARTICLE V  
CONFLICT OF INTEREST

5.1 No member, officer or employee of the City, during his/her tenure or for one year thereafter, will have or shall have had any interest, direct or indirect, in this Agreement or any proceeds thereof.

To the maximum extent possible, this Agreement shall be construed in a manner consistent with the powers of the City, including but not limited to, the City's powers under the Blight Elimination and Slum Clearance Law and the Tax Increment Law, to achieve its intended purpose.
