I am not able to make the meeting this evening due to a prior commitment. Being that the shelter is well on its way to providing more bed nights (even though we're likely to serve less people) than it has in the history of the organization, I would ask that the CEDC consider fully funding our request of \$15,000.

Subject: 2015 CDBG Allocations

Hello,

The CDBG Advisory Board met on November 18th to review applications for 2015 CDBG funds and make allocation recommendations. Those recommendations will be presented to the Community and Economic Development Committee on Monday, December 8th at 5:00 pm in Council Chambers on the 6th floor of City Hall. The Committee will discuss and may make changes to the allocations before taking action on the item.

Applicants are not required to be at the meeting. This is an action item, and not a public hearing item, but the chair of the committee may allow comments from the audience, depending upon the discussion and if questions about the applications arise.

If CEDC approves the allocations, they will be presented to Common Council for final approval on Wednesday, December 17th. Council can also make changes to the allocations, but their approval is final.

Please let me know if you have questions.

Thank you,
Roxy
