RE: Action: Request Approval of Reid Golf Course 2025 Rates Policy

Attached is the proposed 2025 Reid Golf Course Rates Policy that outlines the daily fees and pass rates for 2025.

The proposed 2025 golf rates include increases for annual passes, no proposed increases for greens fees. Annually staff reviews Reid's fees and compares them to other courses in the Fox Valley. Increasing some fees will assist with offsetting increased costs for operations and utilities, labor, credit card fees and capital improvement projects.

Staff is recommending a separate junior green fee when they choose to ride in a cart. In 2016 staff created a \$10 junior green fee to draw interest in the game while creating a customer base for future sustainability. As more juniors have picked up the game they are no longer walking as was intended with the \$10 green fee. By creating a riding green fee for juniors they will now pay the same rates as seniors and military if they choose to ride. The \$10 (9-holes) and \$15 (18-holes) green fees will continue as their walking rate.

The Parks and Recreation Department is requesting approval of the 2025 Reid Golf Course Rates Policy at this time to begin planning for the 2025 season.

Please contact me at (920) 832-5572 or at dean.gazza@appletonwi.gov if you need additional information or if you have any questions.

RE: Action: Award the “AWWTP Painting and Crack Sealing Project” contract to Masonry Restoration, Inc. in the amount of \$103,235 with a contingency of 15% for a project total not to exceed \$118,720.

The 2024 operating budget for the Appleton Wastewater Treatment Plant (AWWTP) includes \$200,000 to paint the F-G tunnel. Of that amount, \$14,900 has been allocated for professional design services, leaving a balance of 185,100 for construction. The F-G tunnel was constructed in 1974 and is 15’ underground. The tunnel is leaking, and ground water is infiltrating both the walls and the ceiling of the tunnel. The leaking water has caused the paint to fail throughout this tunnel section. This contract will address sealing and waterproofing all the water infiltration that is occurring in this tunnel section which will allow for a successful painting project. The painting aspect of this project will be bid out once all the work covered in this contract is successfully completed.

The bids were received as follows:

Masonry Restoration, Inc. (low bid)	\$103,325.00
Emengineered Sololutions, Inc.	\$132,510.00
Berglund Construction Co.	\$168,900.00
CMS/CMR Inc.	\$183867.11
Norcon Corporation	\$194,908.00

Our consulting engineer has written the City of Appleton a formal letter of recommendation to award the contract to Masonry Restoration, Inc. The Parks and Recreation Department has also reviewed the bids and is in agreement with the engineer's recommendation. Therefore, we recommend awarding the contract to Masonry Restoration, Inc. in the amount of \$103,235 plus a contingency of 15% only to be utilized as needed.
