RE: Review of General Policy Statement on Beer/Liquor Licensing

Attached with this memo is the General Policy Statement on Beer/Liquor Licensing for the 2014 review which did not occur. All departments involved in the licensing review/approval process have reviewed and provided feedback to this revision, including former APD Attorney Doucette and current Assistant City Attorney Jadin. Along with minor punctuation or language use modifications, the following is a summary of the revisions.

Page 2. Remove the required standards for issuing a Special Use Permit and clarify that an application must be reviewed to determine whether or not a Special Use Permit is required.

Page 3. Amend language that 'non-use' applies to an issued license (vs. granted) only. Amend the definition of 'issuance' to include department approvals.

Page 4. Include language identifying the required documents that make up the retail application packet.

Page 5. Amend language to reflect correct department name. Amend language to represent current planning terminology.

Page 7. Acronym spelled out.

Page 8. Shorten response time from 30 days to 10 days after notification made to party on waiting list. Clarification of *who* shall request an extension.

Page 10. Language added to address the Sidewalk Café ordinance.

It is the intent of this office to review and bring this policy forward to S&L on an annual basis beginning the fall of 2015.

-CITY OF APPLETON POLICY		TITLE: GENERAL POLICY STATEMENT ON BEER/LIQUOR LICENSING	
ISSUE DATE: unknown	LAST UPDATE: August 2010		
POLICY SOURCE: Office of the City Clerk		TOTAL PAGES: 11	
Reviewed by Attorney's Office Date: September 22, 2011	Safety and Licensing Committee Approval Date: July 29, 2010 Update approved: Oct. 28, 2010 Update approved: Oct. 13, 2011 Update approved: March 26, 2015	Council Approval Date: August 4, 2010 Update: November 3, 2010 Update: October 19, 2011 Update:	

I. PURPOSE

The City of Appleton believes the safety and welfare of its citizens and neighborhoods are of highest priority and the judicious dispensing of alcohol is in keeping with this belief. The possession of a beer or liquor license in the city is a privilege not a right; a privilege that must not be taken for granted but rather must be continually conditioned by the holder's adherence to applicable laws and regulations.

II. POLICY

All licenses granted and issued for the sale of fermented or intoxicating liquors shall be carried out under the provisions of W.S.A. Chapter 125 and the City of Appleton Municipal Code, Chapter 9, Article III.

Safety and Licensing Committee shall consider the application at a public meeting at which all interested parties will be given an opportunity to be heard. The Committee will, by a majority vote of those present, make a recommendation to the Common Council which shall consider the application at its next regularly scheduled meeting.

In performing its review and preparing its recommendation for approval or disapproval, the Safety and Licensing Committee shall take the following matters under consideration:

- The existence of the community need will ~~also~~ be assessed by the committee. In this regard, such things as the type of operation proposed will be assessed for area and community impact.
- A building should not only be appropriate to the intended use, but should also be appropriate from an aesthetic and tax revenue standpoint.

- The number of licensed premises within the immediate geographic area of the proposed location will be considered.

III. DISCUSSION

Formatted: Heading 7, Left

No corporation, partnership or individual will be ~~issued~~ allowed to apply for a beer/liquor license until a Special Use Permit has been applied for, if required, for the premises. This would allow ~~for~~ the Community ~~and Economic~~ Development Department to ~~review and determine whether or not the applicant must apply for and receive approval of a Special Use Permit pursuant to the current Zoning Code.~~ address the standards required for issuing such a Special Use Permit:

- ~~1) Zoning. The proposed use conforms to the underlying zone district purpose and development standards and is in harmony with the general purposes and intent of the Appleton zoning ordinance. When there is an existing nonconforming structure, the development standards may be waived by the Common Council.~~
- ~~2) Plans. The proposed use conforms to the VISION 20/20: Comprehensive Plan, any applicable urban design or other plan officially adopted by the Common Council.~~
- ~~3) Traffic. Adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.~~
- ~~4) Landscaping and Screening. Appropriate landscaping and screening has been or will be provided to protect adjacent uses or properties from light, noise, and other visual impacts that are associated with the proposed use as established in Appleton Municipal Code Section 23-172(i), Perimeter parking lot and loading space landscaping and Section 23-601, Landscaping and screening standards.~~
- ~~5) Neighborhood Compatibility. The proposed use is compatible with the predominant or prevailing land use of the neighborhood surrounding the proposed development.~~
- ~~6) Services. Adequate facilities, access roads, drainage and/or necessary services have been or will be provided.~~

~~Additionally, the Special Use Permit may be granted with conditions and restrictions upon the establishment, location, construction, maintenance and method of the special use as deemed necessary for the protection of the public interest and to secure compliance with standards 1 through 6 listed above. In all cases in which special uses are subject to conditions, the Plan Commission may recommend and the City Council may require evidence and guarantees, as it may deem necessary (as proof that the stipulated conditions are being and will be complied with).~~

~~Special Use Permits shall be issued permanently or for a specified period of time as may be specified by the City Council upon recommendation of the Plan Commission and shall be an obligation of any party to whom a property may be transferred or assigned.~~

The Parks and Recreation Committee has jurisdiction to consider whether the sale of fermented malt beverages shall be allowed in a park. 6. If after one year, the establishment is still deemed as Inactive, a revocation or non-renewal hearing shall be held.

Convenience Store Beer License Regulations

The Safety and Licensing Committee and the Common Council of the City of Appleton issue Class A licenses to convenience stores with the provision that only Class “A” beer licenses will be issued to convenience stores also selling gasoline.

Certain limits will be placed on the issuance of those licenses:

1. The City of Appleton shall issue no more than one license for every 1500 persons residing in the City, to be reviewed every 5 years, with the next review to be done in the year 2014~~6~~.
2. The establishment shall be limited to twenty (20) percent the amount of floor area used relating to the sale of alcoholic beverages.
3. The hours of operation for all Class “A” beverage sales will be 8:00 a.m. to 12:00 midnight.
4. If the applicant has previously held a license and has required an inordinate number of police calls to maintain order and public presence as a good neighbor, those facts may be considered as ground for denial of the license.

Reserve “Class B” Economic Development Grant

In December 1997, the State of Wisconsin passed a law which requires municipalities to charge a fee of \$10,000.00 for all “Class B” Beer/Liquor Licenses. This fee is in addition to the regular fees set by the municipality for this type of license.

The City of Appleton, in February 1998, approved action to develop a grant program to refund all or part of the \$10,000.00 fee. This action states:

“That this grant be made available to any successful applicant who has paid the full \$10,500.00 application and processing fees for said license and can demonstrate that they have improved the property involved in an amount equal to or greater than the amount of the grant as long as state law requires the \$10,000 fee.”

We find that businesses such as restaurants, hotels and taverns make important contributions to the City’s economy. These establishments serve important public purposes including increasing the City’s property tax base, providing employment opportunities, attracting tourists and generally enhancing the economic and cultural climate of the community.

The grant application can be submitted to the Office of the City Clerk after the license is issued for all or any portion of the \$10,000.00 fee. The application is sent to various departments for their review and is then submitted to the Safety and Licensing and Common Council for approval. After the final Common Council approval, the Finance

Committee will take action to approve the budget appropriation prior to the refunding of the grant dollars. This process may take 6 to 8 weeks to complete.

Special Class “B” Beer, “Class B” Wine Licenses

Special Class “B” Beer and Special “Class B” Wine Licenses may be issued by the City Clerk after approval is granted by the Safety and Licensing Committee and all necessary department recommendations are satisfied.

All applications for Special Class “B” Beer Licenses must be on file in the Office of the City Clerk for at least ten (10) working days. All applications for Special “Class B” Wine licenses must be on file in the Office of the City Clerk for at least 15 days.

Should the Safety and Licensing Committee deny approval of any Special Class “B” Beer or “Class B” Wine License, such denial shall be considered as a recommendation to the Common Council. Said request is forwarded to the Common Council for its approval or denial.

Sidewalk Café

~~Pursuant to Section 9-262(b) of Chapter 9, a Class B license holder may serve alcoholic beverages in the sidewalk café area as long as a Special Use Permit has been granted for the sidewalk café and the Class B license has been amended to include the parameters of the sidewalk café. In addition, pursuant to Section 9-262 of the Municipal Code, the licensee must comply with all regulations pertaining to sidewalk cafes. once a Special Use Permit is applied for and approved. The licensed premises should be amended to include such area and regulations pertaining to sidewalk café complied with.~~

Open ~~Street~~ Concept - Special Class “B” Beer License

The Safety and Licensing Committee may recommend approval of the ~~OPEN~~pen ~~STREET~~reet ~~CONCEPT~~oncept when granting a Special Class “B” Beer License and forward to the Common Council for final approval.

To develop a consistent procedure regarding licensure of Special Class “B” Fermented Malt Beverage sales at all events occurring within the City where the organizers are requesting open concept sales and provide for an environment that promotes public health and safety regarding alcohol consumption at these events, the Safety and Licensing Committee may require additional restrictions when considering requests for Special Class “B” Beer licenses involving open concept sales. “Open Concept” refers to the sale and consumption of beverages which are allowable with a Special Class “B” Beer license within a geographically defined area that is not secured or enclosed by fences or other physical barriers.

The Safety and Licensing Committee may require the organizers of such events to comply with beverage sale restrictions, or any other restrictions the Committee or the Common Council may deem appropriate.

In addition, the Safety and Licensing Committee reserves the right to limit the number of open concept events held within the City each license year.
