MEMORANDUM

"...meeting community needs...enhancing quality of life."

TO: Safety and Licensing Committee 
FROM: Don Harp, Principal Planner of Community and Economic Development
DATE: November 12, 2015
RE: Alcohol Beverage Retail License Application – Dairyland Brewing Co. LLC, 1216 East Wisconsin Avenue

The City Clerk's office provided our department with a copy of the above-referenced Alcohol Beverage Retail License Application for our review and approval pursuant to the General Policy Statement on Beer/Liquor Licensing. The Community and Economic Development Department is responsible to ensure the following requirements are satisfied.

Community and Economic Development Department Investigation:

1. Ensure that all requirements of the Special Use Permit have been met. Review and determine whether or not the applicant must apply for and receive approval of a Special Use Permit pursuant to the current Zoning Ordinance.
2. Ensure the use of the building or property is allowed as a permitted use or special use in the Zoning District in which it is located.
3. Such things as traffic, parking and other related issues will be reviewed for their impact on the surrounding area.
4. Other planning and development factors.

Analysis:

This property has a zoning designation of C-2 General Commercial District. Per Section 23-113(e) of the Municipal Code, a bar/restaurant including an outdoor patio for the sale, service and consumption of alcohol requires a Special Use Permit in the C-2 District. An application for Special Use Permit for a bar/restaurant including an outdoor patio for the sale, service and consumption of alcohol has not been applied for.

Recommendation:

Before the Alcohol Beverage Retail License can be issued for the sale and consumption of alcoholic beverages at 1216 East Wisconsin Avenue, the successor, owner or assignee of 1216 East Wisconsin Avenue shall apply for and receive approval of a Special Use Permit (attached) pursuant to Section 23-66 Special Use Permits of the current City of Appleton Zoning Ordinance.

The successor, owner or assignee can contact me at 920-832-6466, and I'll be glad to assist them through the Special Use Permit process. If you have any questions, please contact me. Thank you.

cc: Dorri Schmidt, applicant

WHAT IS A SPECIAL USE PERMIT?

Special Uses are those uses having some uniqueness or unusual impact which require careful review of their location, design, and configuration to determine against fixed standards, the desirability of permitting their establishment at any given site. There are uses which may or may not be appropriate in a particular location depending on a weighing, in each case, of the public need and benefit against the community and neighborhood impact and effect as well as consistency to the 2010-2030 Comprehensive Plan. Each zoning district has a list of uses requiring a Special Use Permit.

WHERE DO I START?

Contact the Community and Economic Development Department to discuss interest in a Special Use Permit. The staff will provide information regarding the 2010-2030 Comprehensive Plan, the criteria for evaluation, surrounding uses and possible nonconformities.

WHAT'S NEXT?

A complete submittal includes a completed application, a detailed development plan of the proposed development and the appropriate fee. The Community and Economic Development Department files the complete submittal with the City Clerk.

City departments make recommendations to the Plan Commission. The Plan Commission holds a Public Hearing to review staff comments and the Findings of Fact (Section 23-66 (e)) and makes its recommendations to the Common Council. A notice of the Public Hearing will be advertised in The Post-Crescent for two consecutive weeks prior to the Plan Commission meeting. Notice of the hearing is sent to the petitioner, Alderperson of the district, property owners within 100 feet of the proposed Special Use Permit lot and/or the town clerk. A recommendation to the Common Council is made within 45 days of the Public Hearing.

The Common Council formally approves or denies the Special Use Permit within 45 days of the Plan Commission action. Two-thirds of the entire Common Council must vote in favor of the permit in order for it to be granted.

WHAT IS THE FINAL ACTION?

Common Council approval is the final action for a Special Use Permit.

NOTE: *A Special Use Permit shall expire if the use is discontinued for a period of 12 months. Also, the Common Council has the ability to revoke a Special Use Permit for failure to comply with the provisions of approval.*
