Resolution #5-R-16

Alderperson Plank

4-06-2016

WHEREAS, the City of Appleton has previously enacted Appleton city ordinance 3-15 which commands owner(s) or caretaker(s) of any animal to confine, restrain or maintain control over the animal so that the unprovoked animal does not run at large, attack or injure any person or domesticated animal,

WHEREAS, the City of Appleton has not required animal owners and/or caretakers to place their animals on a leash, so long as the owner and/or caretaker is able to maintain control over the animal. However, as a result, unleashed animals have proven to be disobedient when permitted to run unleashed and, on occasion have caused unprovoked attacks to humans and other animals.

THEREFORE BE IT RESOLVED that the City conduct a review of the current Animal Ordinance to modify and clarify language and definitions which result in more specific and safe leashing and restraint measures.

Referred to the Board of Health

Sec. 3-1. Definitions.

Animal at large means an animal that is off the property and/ or premises of the owner and/ or caretaker and not under restraint.

Restraint means that the animal is secured by a leash ~~or lead~~, not more than eight (8) feet in length and under the control of a responsible person and obedient to that person's command, or within the real property limits of its owner.

Sec. 3-15. Restraint, nuisance animals.
