RE: Walmart #2958 - 3701 E. Calumet Street  
Change of Premises Description for Alcohol Beverage License

Dear Ms. Searvogel:

Walmart is launching an online grocery pickup service in select stores in Wisconsin. Customers using this service will be able to place an order online and provide a credit card to hold the order. The customer will then come to their local Walmart store to complete the payment and pick up the order at either a pickup canopy or a dedicated parking space.

Walmart would like to offer their customers in your community the opportunity to include alcohol beverages in an online order. Our attorneys have contacted the Department of Revenue, which has confirmed that this is permitted under Wisconsin law. Per Tyler Quam, Special Agent with the Department, an online grocery order may include alcohol beverages if payment is made at the store and the customer's age is verified by an employee licensed to sell alcohol beverages in a face-to-face transaction that occurs within the licensed premises. Walmart, therefore, is seeking to amend the premises description in its current license to include the pickup location (canopy or dedicated parking space), as follows:

1 room, 1 story, approximately 205,721 sq. ft. including canopy locations in parking lot specifically designated for online grocery pickup.

We have enclosed a site map and floor plan for the local Walmart store showing the location of the canopy or dedicated parking space.

We are aware that this change will require approval of the Licensing Committee and the City Council. We request that this proposed amendment be considered at the next upcoming meeting, and would be pleased to make a Walmart representative available upon request at this meeting to answer questions.

Please let us know if you have questions or require additional information.

Very truly yours,
