**DATE:** November 8, 2017

**RE:** 22-R-17; Alcohol Consumption on the "Social Station"

---

This memo is in response to Ald. Konetzke's request for information on how State laws or other guidelines affect the proposed resolution.

The proposed resolutions states:

NOW THEREFORE BE IT RESOLVED, The Social Station be permitted to have up to three beverages of malt beverages, wine in individual servings, hard sodas, hard seltzer's and similar canned beverages or craft beers per person. Served only to twenty-one years of age and served only till 11:00 PM daily.

The Appleton Municipal Code, section 9-55 states that "No person may consume a fermented malt beverage while a passenger on a commercial quadricycle...within the city of Appleton."

Wisconsin Statutes, section 340.01(8m) defines a commercial quadricycle as "a vehicle with fully operative pedals for propulsion entirely by human power, that has 4 wheels and is operated in a manner similar to a bicycle, that is equipped with at least 12 seats for passengers, that is designed to be occupied by a driver and by passengers providing pedal power to the drive train of the vehicle, that is used for commercial purposes, and that is operated by the vehicle owner or an employee of the owner."

As it relates to the proposed resolution, Wisconsin Statutes, section 346.94(23) regulates commercial quadricycles in following manner:

No person may drive a commercial quadricycle occupied by passengers after 10:30 p.m. or after any earlier time established by ordinance under s. [349.18 \(1\) \(d\)](#).

No person may drive a commercial quadricycle on which any alcohol beverages other than fermented malt beverages are carried or consumed.

No person may drive a commercial quadricycle on which any alcohol beverages are sold, including delivery on the commercial quadricycle of alcohol beverages previously sold by a caterer.

No person may possess on, or carry onto, a commercial quadricycle more than 36 fluid ounces of fermented malt beverages.

The proposed resolution is in direct conflict with section 9-55 of the Appleton Municipal Code. The concerns then shift to what is intended to be done by this resolution; repeal that section of the Code,

carve out an exception for just one business, or something else. There are additional general concerns if the resolution results in the special treatment to a single entity.

The next issues arise from the conflicts with State law. First, the proposed resolution's limitation of three beverages is not entirely consistent with the State law prohibiting the amount to be not more than 36 fluid ounces. There may be a need to clarify, as there already exists a prohibition on having more than 36 fluid ounces.

Similarly, the proposed resolution describes the types of alcoholic beverages to be allowed on the "Social Station" which is directly in conflict with the State law prohibiting alcohol beverages other than fermented malt beverages.

The proposed resolution conflicts with both of the State law prohibitions on serving of alcohol and driving an occupied commercial quadricycle after 10:30 PM.

In addition to the conflict with the Code and State law, there are other concerns over the enforcement of any violations. Currently, the Social Station operates under a limousine license that does not contemplate the alcohol consumption described in the proposed resolution. There is a need to clarify the intention of the resolution. For example, is the intention to create a separate licensing and enforcement procedure? If so, would that procedure be for all "commercial quadricycles" in Appleton or just the Social Station?

There is an additional concern over the routes and the Police Chief's position. Previously, Police Chief Thomas expressed concern over keeping commercial quadricycles off College Avenue. The proposed resolution describes two routes that were acceptable to Chief Thomas, but as the resolution is currently written, those routes are not binding on the Social Station and unenforceable.

City of Appleton – **Resolution #19-R-17**

October 4, 2017

*Submitted by: Alderperson Lobner – District 13*

*Referred to: Safety & Licensing Committee*

WHEREAS several years ago the City of Appleton voted to extend trick or treating hours to 4 to 8 pm on Halloween night,

AND WHEREAS a four-hour window for trick or treating is more than is done in nearly all of Appleton's neighboring communities,

AND WHEREAS it is a good practice to periodically review and consider revisions to longstanding ordinances to ensure they still reflect the will of the common council,

THEREFORE BE IT RESOLVED that the Safety & Licensing Committee shall review and consider revisions to Appleton's practice regarding trick or treating for implementation in 2017 or 2018.

## MEMORANDUM

To: Kyle Lobner, Chair - Safety & Licensing Committee  
& Common Council

From: Len Vander Wyst, Fire Chief

Date: November 28, 2017

Re: Authorization to Purchase Heavy Rescue Equipment – Single Source

---

As you might recall, the Appleton Fire Department budgeted \$50,000 for a Heavy Rescue Equipment Capital Improvement Project in 2018. The fire department is requesting authorization to purchase under a single source vendor for a portion of this equipment.

The training and tools requested as a part of this CIP request will enhance rescue capabilities through the use of extrication tools. Training will be provided by staff as part of the 2018 curriculum.

The department currently has an extensive complement of Genesis extrication equipment. The intent of this purchase would be to enhance the existing equipment with new equipment that is compatible with existing equipment. What's more, the proposed Genesis equipment provides a mirrored system to our existing rescue system which will save training time and provide familiarity to emergency responders. The department has a long-standing, positive working relationship with the only authorized Genesis vendor for our area—Reliant Fire Apparatus. The department would like to proceed with a sole source order before a January 1<sup>st</sup> price increase understanding that we will not take delivery until after January 1st.

Therefore, the Appleton Fire Department is requesting authorization to purchase Genesis heavy rescue equipment from Reliant Fire Apparatus in an amount not to exceed \$37,000 as part of the 2018 CIP project. If you have any questions, please feel free to contact me at 832-5810. Thank you!
