Members of the Common Council,

Very simple problem, I was five payments behind in my house payment, decreasing my escrow.

I was actually unaware that Anchorbank sent my tax check directly to you until recently, when I had a conversation with Chris at Anchorbank. He also informed me that Anchorbank would be sending another check to the City of Appleton Finance Department to catch up on my extra escrow payment.

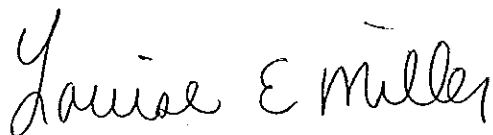

At age 73, I started a full time job as a Supervisor at the John Bradley VA clinic, working for CMC Maintenance. prior to this I was living on my Social Security and Pension, while also supporting a 27 year old grandson. It would be impossible for me to come up with the full amount you are asking for, without creating other financial problems in my life.

I feel my increase in income would allow me the opportunity to make payments on my taxes and keep up with my utilities.

You may contact Anchor Bank to verify my situation if need be.

Attachments enclosed.

Sincerely,

A handwritten signature in cursive script that reads "Louise E. Miller". The signature is written in dark ink and is positioned above the typed name.

2/25/15-AnchorBank mailed ck #500558189 \$676.92 to Outagamie County. The county signed it over to us and mailed it here. The ck references this parcel, but the amount of \$676.92 doesn't make sense to what is actually due. The 1st installment was paid \$348.46 short, the taxes are now delinq. The check was applied as is. pv
