PUB FARE WITH A FLAIR!

8/26/15

To: Review Board for Appleton Bartender's Licenses,

My name is Steve Owens, Restaurant Manager for Stone Cellar Brewpub. I have been asked by our Supervisor and Team Leader, Shanna McKeefry for a letter of character in regards to procuring an Appleton Bartender's License.

Shanna has been an employee of Stone cellar for more than 3 years and has without a doubt, grown into a strong leader and has moved up our employee ladder from server/bartender to Dining Room Supervisor. Shanna, like many of us, has had some setbacks in her personal life, but has never once shown any sign of this as a front line employee. She has always held her standard much higher than traditional service employees and helped Stone Cellar maintain our strong guest service and satisfaction.

We at Stone Cellar understand how important the responsibility is to serve alcohol. We explain to all staff how keeping people safe is our number one goal as a business. We offer extra safety training to staff who ask for it, and are a member of the Tavern League's Safe Ride program. Shanna has been a strong influence in a lot of these decisions. She has made great changes in her personal life and is considered a leader when it comes to identification checks and proper alcohol service. We are more than happy to support Shanna as she has blossomed into a asset for any business in the service industry.

We at Stone Cellar hope that the review board can see that Shanna has made great progress in maintaining her sobriety and has been given a leadership position based on her work ethic, and growth as a person.

We ask that Shanna be considered for her Bartender's License so she may continue her growth into management at Stone cellar and her continued support of the Appleton community as a whole.

Thank you for your consideration and time on this matter.

Warm regards,

Steve Owens

RE: Shanna McKeefry Case# 2013CM1349

To Whom it may Concern:

On 06/04/14 Shanna McKeefry was placed on Probation for a term of 2 years for the charge of Resisting and Obstructing an Officer Encouraging Parole/Probation Violation Possession of illegally obtained prescription and Posses Drug Paraphernalia.

Ms. McKeefry has been doing well on her probation, she has made payments towards her financial obligations has had no known violations and is consistent in maintaining a sober lifestyle.

I am aware that she is appealing to try and renew her bartending license. Since being on probation she has maintained employment in the food and beverage field with no issues. At times two jobs. Recently she was offered a promotion at the Stone Cellar wherein having her license would be a key component of her job. Should she not be granted her appeal her job would be in jeopardy.

Should you have any questions or concerns please feel free to contact me.
