

Right-of-Way Management Ordinance Time Line

<u>Date</u>	<u>Action</u>
11/15/2016	Right-of-Way Management Ordinance action item at Municipal Services Committee. Concerns raised by We Energies, AT&T and Charter Communication so the Committee held the action item.
11/17/2016	Sent e-mail requesting written feedback from all utilities by 11/30/2016.
12/1/2016	Internal staff review of feedback received.
12/6/2016	Met with utilities to discuss their feedback. Shared with them many changes we made based on their input.
12/14/2016	Internal staff review of feedback received during meeting on December 6th.
12/19/2016	Sent red-lined version included in the agenda packet to the utility companies along with reminder that Ordinance language goes to Committee on 1/10/2017.
1/9/2017	Received e-mail from AT&T with concerns they have with the latest version.
1/9/2017	Received e-mail from Charter requesting more time to review the version they received on December 19, 2016.
1/10/2017	Internal staff review of AT&T's latest feedback. Staff recommending no changes to draft language based on their latest feedback.
1/10/2017	Meeting was cancelled due to weather.
1/19/2017	Received letter from Charter.
1/24/2017	Revised Ordinance language back at Municipal Services Committee.
