Dear Ms. Scheuerman:

Nancy

I am writing to inform you that June 30th marks the completion of your current three year appointment. I have been honored to have you as a member of the governing body to our community's library. I want to thank you for your time in service and dedication to the Appleton Public Library.

The Appleton Public Library is essential to the City of Appleton's mission to meet the needs of the community and enhance the quality of life of our residents. The role of the library Trustee is not an easy one, and I know you take your responsibility very seriously. This is an especially important time in our library's history and its future as we continue to work together on a solution to provide our community the library it deserves.

As Mayor, I am charged with appointing community members to three year terms. This letter serves as a note of gratitude as well as my request to know if you would like to request a reappointment for another term. Please let Library Director Colleen Rortvedt know if you are interested in serving another term.

Thank you for your service and consideration.

Sincerely,

TIMOTHY M. HANNA
Mayor of Appleton
