PROGRAM NARRATIVE

Link to Strategy:

Implements Key Strategy # 4: "Proactively pursue collaborative and cooperative agreements to meet the needs of the community".

Objectives:

Reach Out and Read (ROR) is a research-based and evidence-based national program that puts books in the hands of families and children through their pediatricians. The doctors use the books to help facilitate developmental screenings and also to provide families information on how important it is to read to their small children. The books are provided to children age birth to five and the program in the Fox Cities includes Appleton, Neenah, Menasha and the surrounding region.

Major changes in Revenue, Expenditures, or Programs:

The Reach out and Read program (ROR), which supports a half-time physician liaison position and the purchase of age-appropriate books to be distributed by medical staff at well-child visits, is supported by a grant from the United Way. ROR has been budgeted in the Children's Services program in the Library's general fund budget since its inception in 2016 but the growth of ROR has led to a decision to move it to this special revenue fund to better account for revenues and related expenditures.

The library has applied to become a United Way Agency for the Reach Out and Read program. A strategic planning process with the clinics is also being done with a professional facilitator. This process will clarify the ongoing funding model of the program.

Note: Since this program exists solely to account for receipt and expenditure of various grants, there are no continuing performance measures.
