

Downtown Appleton Business Improvement District Operating Plan

# **Downtown Appleton Business Improvement District Operating Plan 2020**

# I. Preface

Wisconsin Act 184, signed into law in 1984, gives Wisconsin municipalities the power to establish business improvement districts (BIDs) within their communities upon petition of at least one property owner within the proposed district. The State Legislature created 66.1109 of the Wisconsin Statutes (the "BID Law") to provide a mechanism by which business properties within an established district could voluntarily assess themselves to pay for programs aimed at promoting, developing, redeveloping, managing and maintaining the district. In many instances, BIDs are established in downtowns so property owners can jointly attract tenants and increase the value of their properties.

Business improvement district assessments are quite similar to traditional special assessments wherein property owners are assessed for improvements or services that benefit them. Unlike traditional special assessments, however, business improvement district assessments can be used to finance a wide range of activities, services, and improvements. Business improvement districts in Wisconsin have been used to fund a broad scope of activity including business retention and recruitment programs, marketing and promotional activities, environmental enhancement and maintenance programs, and crime prevention and security activities.

Pursuant to the BID Law, this shall be, when adopted, the 2020 Operating Plan for the Downtown Appleton Business Improvement District. This Operating Plan has been prepared by Appleton Downtown Incorporated (ADI).

As used herein, BID shall refer to the business improvement district's operating and governance mechanism, and "District" shall refer to the property located within the physical boundaries of the business improvement district, as provided herein.

Further development of the District through establishment of the BID is proposed because:

- 1. The BID law provides a mechanism whereby private property owners can work together in conjunction with the City to develop the district.
- 2. Existing public funding sources used to maintain and promote the district may not be sufficient. Unified development efforts will have to be financed with new private resources as well as existing public dollars.
- 3. The District is dynamic, including properties of varying types and sizes. Some form of cost sharing is necessary because it is not feasible for a small group alone or the City of Appleton to support District development efforts. The BID Plan provides a fair and equitable mechanism for cost sharing which will benefit all businesses and properties within the district.
- 4. Use of the BID mechanism helps to ensure that the entire District will be promoted, programmed and developed as expeditiously as possible.

The property owners advocating the continuation of the BID view it as a method to build on work previously done in the community to improve the downtown. These property owners and the board of directors of Appleton Downtown Inc. have pledged to work cooperatively with other organizations and the City of Appleton to enhance the vibrancy and overall health of downtown Appleton.

This Plan, when adopted by the City Council of the City of Appleton, after public hearing and recommendation of the Plan Commission in the manner required by the BID Law, shall govern the BID for the calendar year of 2020 which shall be the Seventeenth "Plan Year". However, it is anticipated that the BID shall continue to be so successful that it will be renewed, upon essentially the same terms and conditions for subsequent years, each of which shall be the "Plan Year". In the manner allowed under Section 66.1109 (3)(b) of the BID Law, although with changes to the budget, work plans and assessment Appendices.

# II. Plan Development

This shall be the Business Improvement District Operating Plan for the Downtown Appleton Business Improvement District, for the year 2020.

# A. <u>Plan of Action</u>

The Plan of Action Work Plan was developed by the BID and ADI Board of Directors and Standing Committees with approval from the BID and ADI Board of Directors. Those participating in this process were ever conscious of the need to represent the full membership of the BID and of ADI. The following initiatives, strategies identified role and tasks are identified in the Work Plan and align with the City of Appleton Comprehensive plan Chapter 14. (Appendix A)

# B. Goals and Objectives

The BID seeks to protect public and private investments in downtown Appleton and to attract new investment to the district. The BID exists to promote the orderly development of the district in cooperation with the City of Appleton, including implementation of the Downtown Plan (Chapter 14 of the Comprehensive Plan) and to develop, redevelop, maintain, operate, and promote the District. The BID shall work to preserve and improve economic, cultural, and social conditions within the District by facilitating partnerships of people and organizations to achieve mutual goals. The BID provides the necessary funding to plan, evaluate, facilitate and implement District development projects, planning activities, and promotional activities that fit within the identified mixed-use strategy for developing viable and sustainable markets that the District in downtown Appleton can serve.

# C. Benefits

Money collected by the BID under this plan will be spent within the District or for the benefit of the District, and used to help property owners attract and retain tenants, keep downtown clean, safe and attractive, increase the value of property downtown and expand on a strong brand and marketing campaign for downtown. **Appendix A** outlines the initiatives, strategies and tasks for the plan year as they align with Chapter 14 Downtown Plan of the City of Appleton Comprehensive Plan.

#### D. 2018 Annual Report

The 2018 annual report is attached. The total assessed value of properties for the District for 2018 was \$123,151,700 a .08% increase over the previous year. The vacancy rate of 20% was calculated based on a total of 221 total BID properties and condominium units.

Also included as Appendix B is the 2019 Midyear BID/ADI/CDA review summary

#### E. 2020 Budget

All of the estimated expenditures of the BID are shown on **Appendix C**, the Budget. All of the expected expenditures will be financed by the collection of BID assessments and with other revenues generated by Appleton Downtown Incorporated (ADI) and Creative Downtown Appleton Inc. (CDA) including but not limited to sponsorships and donations, ADI memberships, and by revenues of events and promotional activities. Ownership of all activities, programs, promotions, and events, along with any related revenues shall remain with ADI or CDA respectively but shall be applied to programs and services that further goals of the BID.

It is anticipated that the BID will contract with ADI to carry out the BID's Operational Plan, and that the BID will have no paid staff of its own. Funds collected through BID assessments shall be used to pay for this contracted and approved expenditures with ADI, and are expected to pay for about 30 percent of the projected by annual budget to implement a full downtown management program. Additional funds will be raised by ADI from public and private sources to cover the remaining 70 percent, and any other projects not identified herein.

Except as identified herein, all expenditures will be incurred during the Plan Year. Any funds remaining on any line item above may be moved to another budget line item, as determined by the Board of the BID. Any unused funds remaining at the end of the year shall be deposited into a contingency fund for the following Plan Year. If any additional funds are received by the BID, whether from gifts, grants, government programs, or other sources, they shall be expended for the purposes identified herein, and in the manner required by the source of such funds, or, if the funds have no restrictions, in the manner determined by the Board of the BID, in keeping with the objectives of this BID Plan. All physical improvements made with these funds shall be made in the BID District. The location of other expenditures shall be determined by the BID Board, but for the benefit of the District.

# F. Powers

The BID, and the Board managing the BID shall have all the powers authorized by law, and by this Plan, and shall have all powers necessary or convenient, to implement the Operating Plan, including, but not limited to, the following powers:

- 1. To manage the affairs of the District.
- 2. To promote new investment and appreciation in value of existing investments in the District.
- 3. To contract with Appleton Downtown Incorporated on behalf of the BID to implement the Operational Plan.
- 4. To develop, advertise and promote the existing and potential benefits of the District.
- 5. To acquire, improve, lease and sell properties within the District, and otherwise deal in real estate.

- 6. To undertake on its own account, public improvements and/or to assist in development, underwriting or guaranteeing public improvements within the District.
- 7. To apply for, accept, and use grants and gifts for these purposes.
- 8. To elect officers, and contract out work as necessary to carry out these goals.
- 9. To add to the security of the district.
- 10. To elect Officers to carry out the day to day work authorized by the BID Board, including signing checks and contracts on behalf of the Board, and to adopt, if the Board wishes, By-Laws governing the conduct of the Board and its Officers, not inconsistent with this Operating Plan.
- 11. To adopt by-laws related to the day to day operation of the Board and Board meetings.

# G. <u>Relationship to Plans for the Orderly Development of the City</u>

Creation of a business improvement district to facilitate District development is consistent with the City of Appleton's Downtown Plan and will promote the orderly development of the City in general and downtown in particular.

# H. Public Review Process

The BID Law establishes a specific process for reviewing and approving the proposed Operating Plan, and the boundaries of the proposed District. All statutory requirements to create the BID were followed.

# III. District Boundaries - – no change has been made to this section from the previous year.

The District is defined as those tax key parcels, which are outlined in pink and indicated by property in blue on **Appendix G**, attached hereto and incorporated herein by this reference, reflecting the parcels as they existed in the City of Appleton Assessor's records as of September 1, 2001. The District is generally bounded on the south by the south right of way line of Lawrence Street, on the north by the north right of way line of Franklin Street, on the east by the right of way line of Drew Street and on the west by the west right of way line of Richmond Street/Memorial Drive, with additional corridors extending north on Richmond Street to Packard Street and west along college Avenue to Badger Avenue. Properties zoned for commercial use by the City of Appleton Assessor on both sides of boundary streets are included in the District. The District includes 221 contributing parcels and units. Notwithstanding the parcels of property which are not subject to general real estate taxes, shall be excluded from the District by definition, even though they lie within the boundaries of the BID as in the map in **Appendix G**.

# IV. Organization – no change has been made to this section from the previous year.

# A. Operating Board

The BID Board ("Board") as defined below, shall be appointed by the Mayor of the City of Appleton, with substantial input from ADI and the property owners in the District. Appointments by the Mayor must be confirmed by the City Council and voted in by the BID Board. The appointments and confirmation shall be made before the commencement of the Plan Year for which the Operating Plan was adopted.

This Board's primary responsibility shall be to implement the current year's Operating Plan, to contract for the carrying out of the Operating Plan, contracting for preparation of an annual report and audit on the District, annually considering and making changes to the Operating Plan including suggestions made by Appleton Downtown Incorporated and submitting the Operating Plan for the following Plan Year to the Common Council of the City of Appleton for approval, and other powers granted in this Plan. This requires the Board to negotiate with providers of service and materials to carry out the Plan; to enter into various contracts; to monitor development activity; and to ensure District compliance with provisions of applicable statutes and regulations.

# The BID Board shall be structured as follows:

- 1. Board size maximum of 9
- 2. Composition A majority (at least 5) members shall be owners or occupants of the property within the District. Any non-owner, non-occupant appointee to the Board shall be a resident of the City of Appleton. At least 2 members shall be representative of each of the 3 identified market sectors, service/retail, hospitality, and office. One member shall be a representative of the Mayor or City Council. Any Board member who because of transfer of ownership of property is no longer eligible to act as a representative for a particular sector, or where such transfer of property shall cause the make-up of the Board to fall out of compliance with this Operational Plan shall be replaced. The Board shall make a recommendation for replacement to the Mayor who shall appoint a new Board member within 30 days of the recommendation.
- 3. Term Appointments to the Board shall be for a period of 3 years-for staggered terms, each ending on December 31 of the applicable year. The Board may remove by majority vote, any BID Board member who is absent for more than 3 meetings, without a valid excuse, and may recommend to the Mayor replacement members, which the Mayor shall act upon within 30 days of the recommendation.
- 4. Compensation None.
- 5. Meetings all Meetings of the Board shall be governed by Wisconsin Open Meetings Law. Minutes will be recorded and submitted to the City and the Board. The Board shall adopt rules of order to govern the conduct of its meetings and meet regularly, at least annually.
- 6. Record keeping Files and records of the Board's affairs shall be kept pursuant to public records requirements.
- Staffing The Board may employ staff and/or contract for staffing services pursuant to this Plan and subsequent modifications thereof. Unless requested otherwise by the Board, and any staff members or employees of contractors may attend all meetings of the Board, but will not have voting authority.
- 8. Officers The Board shall appoint a Chairman, Treasurer and Secretary, any two of the three of which shall have the authority to execute documents on behalf of the full Board, for the purposes authorized by the full Board, including the writing of checks. Attached Board list **Appendix D**
- 9. For purposes of this section "person" means an individual owner of a parcel, or a representative of an entity owner of such parcel. No one individual, and no more than one representative of any entity, may hold more than one Board position. If, during the course of a term, a Board member's situation changes, so that they no longer fit the definition for that seat, such as by selling their parcel, they shall resign within 10 days of selling their parcel.

# B. <u>Amendments</u>

This Operating Plan, when adopted, shall be the governing plan for the Plan Year. However, section 66.1109 (3) (b) of the BID Law requires the Board of the city to annually review and make changes as appropriate to the district Plan, when adopting a new Operating Plan for later Plan Years. Approval by the City's Common Council of such Plan updates shall be conclusive evidence of compliance of such Plan with the BID Law.

The BID Law allows the BID to annually present amendments to its Plan. The following process for approval of the amended Plan will be followed.

- 1. A joint strategy session of the BID Board and the ADI Board of Directors will develop the objectives of the Operational Plan for the next Plan Year.
- 2. The proposed Goals and Objectives for the Plan Year will be drafted by Appleton downtown Incorporated Staff and submitted to the BID Board for review and input.
- 3. ADI Staff and Board will edit the plan and submit it to the BID Board for approval based on comments by the BID Board.
- 4. The BID Board will review the proposed BID Plan and submit to Planning Commission for approval.
- 5. The Common Council will act on the proposed BID Operational Plan for the following Plan Year.
- 6. The Mayor of Appleton will appoint new members to the BID Board at least 30 days prior to the expiration of outgoing Board members' terms.

It is anticipated that the BID will continue to revise and develop the master Operating Plan for later Plan Years, in response to changing development needs and opportunities in the District, within the purpose and objectives defined herein and therein.

Included in these changes for later Plan years will be changes in the BID budget and assessments.

# V. Finance Method

The proposed expenditures contained in Section II (D) above, will be financed with moneys collected from the BID assessment, and will be made, from time to time, throughout the year, in accordance with the BID Budget, attached hereto as **Appendix C**.

Moneys collected from BID assessments by the City will be used to pay Appleton Downtown Incorporated in accordance with the implementation contract between the BID and ADI

# VI. Method of Assessment

# A. <u>Parcels Assessed – Appendix E</u>

All tax parcels within the District required to pay real estate taxes, including those taxed by the State as manufacturing, will be assessed with the exception of those parcels used solely for parking and those parcels subject to a recorded condominium declaration, and zoned for commercial use as shown on the City of Appleton Assessors records. Commercial Condominiums shall be assessed as if the entire building in which the Commercial Condominium act and instead were assessed as one building, and the assessment for that entire building shall be levied against each Commercial Condominium unit in such proportion as the condominium assessments of that condominium are prorated, as defined in the Declaration of Condominium for that building. Real property used exclusively for residential purposes may not be assessed, as required by the BID Law. Property exempt from paying real estate taxes or owned by government agencies will not be assessed.

The Business Improvement District reassessment was completed by the City of Appleton Assessor's Office. The current property assessment list was generated by the Assessor's office and reviewed by the Finance Department and BID Board. As is stated below, the BID Board of Directors is proposing to increase the BID rate by 10% to \$2.75 per \$1000 of assessed value including the minimum to \$275 and maximum to \$5500. The new rate would generate an additional \$20,527 to the 2020 annual budget.

# B. Levy of Assessments

Special assessments under this Operating Plan are hereby levied, by the adoption of this Operating Plan by the City Council against each tax parcel of property within the District which has a separate tax key number, in the amount shown on the assessment schedule which is attached hereto as **Appendix E.** 

The BID Board of Directors is proposing to increase the BID rate by 10% to \$2.75 per \$1000 of assessed value including the minimum to \$275 and maximum to \$5500. The new rate would generate an additional \$20,527 to the 2020 annual budget. A letter is included to explain the proposed increase and impact to the 2020 budget. Appendix F

The 2020 assessment list **Appendix E** shows the calculation with the above proposed rate with the 10% increase as well as the current rate at \$2.50 for each \$1000 of assessed value for each parcel in the District with no parcel assessed more than \$5,000 and no parcel assessed less than \$250, with parcels used solely for parking excluded, with parcels solely used for residences excluded, and with the adjustments for the Commercial Condominiums and adjustments for relocation of the caps and minimums. The assessment was based on the assessed value of that parcel (land and improvements) as shown in the records of the City Assessor's Office except as otherwise identified below. It is understood that some properties within the BID may be re-assessed. The changes in the tax assessment may impact the BID assessment for these properties.

The principal behind the assessment methodology is that each non-exempt parcel's owner should pay for District development in proportion to the benefit derived. Obviously, not every parcel in the District will benefit equally, nor should each parcel, regardless of size or value contribute in exact ration of property value. It is assumed that a minimum and maximum benefit can be achieved for each parcel, thus, minimum and maximum BID assessments have been established.

For those parcels identified as Commercial Condominiums, the minimum and maximum assessments shall be established for the entire building of which the Commercial Condominium is a part, in the ratios identified above.

# C. <u>Schedule of Assessments</u>

The final form of this 2020 Operating Plan has attached as **Appendix E** are schedules of all the tax key numbers within the BID which are being assessed, and their assessment using this formula.

# The 2020 BID assessment total with the proposed 10% increase is anticipated to be \$225,791 Assessment adjustments are attached in Appendix E

# D. Assessment Collection and Dispersal

The City of Appleton shall include the special assessment levied herein as a separate line item on the real estate bill for each parcel. The City shall collect such assessments with the taxes as a special assessment, and in the same manner as such taxes, and shall turn over all moneys so collected to the BID Board for distribution in accordance with the BID Plan.

All BID assessments shall be shown on the tax bill as due and owing with the first installment of taxes and shall carry the same penalties and interest if not so paid.

Any money collected by the City of Appleton for BID assessments shall be held by the City in a segregated account.

The City of Appleton Finance Department shall provide to the BID Board by the 15<sup>th</sup> day of each month or as requested a separate financial statement for the BID along with a list of collections and source of such collections identified by tax parcel number for which the amount was collected.

Any BID assessments collected by the City before or after the Plan Year for which the assessments were made shall be held by the city in a segregated account and are to be used by the BID Board in the manner as if received during the applicable Plan Year. This provision is intended to govern BID assessments prepaid in December prior to the applicable Plan Year, as well as to delinquent and late payments made after the Plan Year.

The BID Board shall prepare and make available to the public and the City Council annual reports describing the current status of the BID, including expenditures and revenues, at the time it submits its amended Plan to the City for the following year. Following the end of the fiscal year an independent certified audit shall be obtained by the Board, and which shall be paid for out of the BID Budget. Copies of the 2018 audit are available in the ADI office and a copy was submitted to the Community Development Department with this plan.

Disbursement of BID funds shall be made in accordance with approved BID Operational Plan and Budget. Disbursements for contracted services such as those provided by Appleton Downtown Incorporated shall be done on a reimbursement basis. Invoices and documentation of services

performed shall be submitted on a monthly basis to the BID Board. The BID Board shall forward these invoices for payment to the City of Appleton Finance Department. The Finance Department shall issue payment on the invoice once it has received evidence that the expenditures are eligible for reimbursement in accordance with the BID Operational Plan and Budget. This reimbursement shall be made to the service provider within seven business days of the submittal of the request to the City.

The presentation of the proposed Plan to the City shall deem a standing order of the Board under 66.1109 (4) Wis. Stats. To disburse the BID assessments in the manner provided herein. This section shall be sufficient instruction to the City to disburse the BID assessment, without necessity of an additional disbursement agreement, disbursement method, or accounting method. Other than as specified herein, the disbursement procedures shall follow standard City disbursement policy.

# E. <u>Annual Report</u>

The Board shall prepare an annual report as required by section 66.1109 (3) (c) of the Wisconsin Statutes. A copy of the 2017 report is attached.

The report shall include the required audit. The required audit shall be prepared by the auditing firm conducting the annual audit for the City of Appleton. The BID shall be solely responsible for payment of any funds specified for the BID Audit related to BID activities for said BID Audit.

The City of Appleton Finance Department shall provide an estimate of the cost of said BID audit for the following year to the BID Board no later than September 1 of the previous year.

# VII. City Role

The City of Appleton is committed to helping private property owners in the District promote development. To this end, the City intends to play a significant role in the implementation of the Downtown plan. In particular, the City will:

- 1. Encourage the County and State Governments to support activities of the district.
- 2. Monitor and when appropriate, apply for outside funds, which could be used in support of the district.
- 3. Collect assessments and maintain a segregated account.
- 4. Provide disbursement of BID funds to service providers in accordance with the BID Operational Plan and Budget.
- 5. Contract with an auditing firm to conduct the Audit. Said firm shall be the same firm that conducts the City of Appleton annual audit.
- 6. Provide a cost estimate for said audit no later than September 1 for the following year.
- 7. Provide a separate monthly financial statement to the BID Board.
- 8. Review annual audits as required per 66.1109 (3) (c) of the BID Law.
- 9. Provide the BID Board through the Assessor's Office on or before June 1 each Plan Year, with the official City records on assessed value for each tax key number within the District, as of that date in each Plan Year, for purposes of calculating the BID assessment.
- 10. Adopt this plan in the manner required by the BID Law.
- 11. Appoint and confirm new BID Board members as required herein.

# VIII. Required Statements - no change has been made to this section from the previous year.

The Business Improvement District Law requires the Plan to include several specific statements.

66.1109 (1) (f) (1.m): The District will contain property used exclusively for manufacturing purpose, as well as properties used in part for manufacturing. These properties will be assessed according to the formula contained herein because it is assumed that they will benefit from development in the District.

66.1109 (5) (a) Property known to be used exclusively for residential purposes may not be assessed, and such properties will be identified as BID exempt properties.

66.1109(1)(f)(5): Michael, Best & Friedrich, LLP has previously opined that the Operating Plan complies with the provisions of Wis Stat. sec. 66.1109(1)(f)(1-4). Michael, Best & Friedrich, LLP has confirmed that, because no substantive changes are proposed in this amendment, no additional opinion is required.

# IX. Appleton Downtown Incorporated - no change has been made to this section from the previous year.

A. Appleton Downtown Incorporated

The BID shall be a separate entity from Appleton Downtown Incorporated (ADI). ADI shall remain a private not-for-profit organization, not subject to the open meeting law, and not subject to the public records law except for its records generated in connection with its contract with the BID Board, and may, and it is intended, shall contract with the BID to provide services to the BID in accordance with the Plan. Any contracting with ADI to provide services to BID shall be exempt from the requirements of sec. 62.15, Wis. Stats., because such contracts shall not be for the construction of improvements or provision of materials. If the BID does contract for the construction of improvements or provisions of material, it shall follow the requirements of such statutes to the extent applicable to assure open, competitive procurement of contracts and purchases. Further, the annual accounting required under 66.1109 (3) (c) Wis. Stats. Shall be deemed to fulfill the requirement of 62.15 (14) Wis. Stats. Ownership of assets of Appleton Downtown Incorporated.

A. Binding Clause

The adoption of this Operating Plan is subject to the BID Board contracting with Appleton Downtown Incorporated to carry out this Operational Plan, and if such contract is not entered into by the first day of the Plan Year, then the Plan shall be null and void.

# X. Severability and Expansion - no change has been made to this section from the previous year.

The Business Improvement District has been created under authority of 66.1109 of the Statutes of the State of Wisconsin.

Should any court find any portion of the BID Law or this Plan invalid or unconstitutional, said decision will not invalidate or terminate the Business Improvement District and this Business Improvement District Operating Plan should be amended by the Common Council of the City of Appleton as and when it conducts its annual budget approval and without necessity to undertake any other act.

All of the above is specifically authorized under 66.1109 (3) (b) of the BID Law.

If it is determined by a court or administrative body that the parcel of property not be subject to general real estate taxes may not be included within the District, then said parcels shall be excluded from the definition of the district.

All appendices are hereby incorporated by this reference.

- Traffic flow Improvements
- Accessible and affordable parking solutions
- Enhanced streetscapes throughout Downtown
- Expand Public Art & Creative Culture
- Continued Partnership with Lawrence University and Appleton Area School District

# Key Accomplishments from the Past Year

Over the last 12 months our organization has experienced significant progress through several key initiatives and projects including:

- Economic Development support in 2019 included \$30,000 in BID funded Façade Improvement grants supporting \$290,737 in exterior renovations on 14 properties downtown. Many projects will invest significantly more in their full renovation.
- Business Recruitment grant support to 4 businesses in 2019 with available funds to invest before the end of the year.
- Marketing support to 25 businesses totaling \$9965 in BID funded marketing grants helped support a total of \$30,855 in marketing investment by businesses within the BID.
- A new Downtown resident and employee packet is in design for distribution this fall.
- A new office for ADI established a visitor information area with support and partnership from the Convention and Visitors Bureau.

- Continuation of the Downtown CARE (Clean.Assess.Refresh.Enhance) Program in cooperation with Riverview Gardens and the City of Appleton provides daily contracted cleaning from the Service Works program. The CARE program is designed to provide employability skills to those experiencing homelessness or other barriers to employment while providing general cleaning service to the public areas of the Downtown district.
- Contributions to the Creative Environment included the addition of five play me musical instruments along College Ave. Support from Principal through a grant to Creative Downtown Appleton Inc. made a new playground possible in Jones Park. Coordination for a Mile of Music focused mural on a private property through a private donor. Our partnership with Mile of Music and Octoberfest brought hundreds of thousands of people to the district. Art on the Town activities like Creative Kids program, live music and sidewalk performers keep our downtown vibrant, colorful and beautiful.
- Our partnership with the City of Appleton Dignity and Respect campaign and Lawrence University presented the first of four Inclusive Business training sessions for Downtown businesses. The session provided an opportunity to learn about how implicit bias can affect our understanding, actions and decisions in the work place. Our collective goal is a more welcome and inclusive Downtown where everyone feels a safe sense of belonging and opportunities for success are supported equally. To further support this goal we partnered with Pillars Inc. to present the first session in a series on Crisis Intervention. The first session focused on understanding mental illness and strain and the daily struggles that may be experienced.
- Reestablishing the Business Watch program in partnership with the Appleton Police Department will work hand in hand with bringing the block captain program back. Our goal to increase communication and engagement with our members will be further supported along with the Neighbors Ring text service.

# The State of Downtown Appleton

The state of Downtown Appleton is strong. Across the nation there is a trend toward urban living amidst vibrant cultural districts. People, especially those without children, are desiring convenient, car-optional neighborhoods where residents can walk to work, shop and access entertainment. Downtown Appleton has benefited from this trend and the ADI and BID boards are optimistic that we are emerging as a destination for urban living.

Downtown Appleton has become the central social district in the area. ADI sponsored programs such as the Saturday Farm Market and Thursday concerts continue to grow in popularity. Special events we partner on such as the Mile of Music and Octoberfest are attended by hundreds of thousands of people. The Exhibition Center now open and attracting new events and conventions continues to grow the visitor impact on downtown.

The employer base in Downtown Appleton is thriving and demand for office space is on the rise. The market study indicates leakage in grocery and more opportunity for experiential and specialty retail. As big box retailers are struggling and closing around the country, Downtown is positioned to welcome independent retailers and smaller scale national retail service centers in our active walkable urban corridor.

Downtown Appleton is experiencing a level of development sparked by the announcement of US Venture building their world headquarters in the district. The development movement includes a heavy focus on residential units and mix of new commercial office and event space. Such projects including Gabriel Lofts, Willow, 320 E. College, Crescent Lofts, 823-827 W. College Ave., 513 W. College, the Zuelke Building, the potential Library mixed use development and several others are elevating our inventory and variety of living options. A focus on providing the needed amenities to support residents such as grocery or public market, car or bike share, a dog park and others will need to be a priority with downtown partners.

As the arts and cultural district of the Fox Cities, we continue to draw performance, visual and musical experiences that are enhanced by our vibrant hospitality sector. Downtown Appleton enjoys many assets, and the opportunity to better leverage these assets is exciting: a riverfront district that is growing in popularity; Lawrence University brings world-class entertainment to Downtown Appleton; and historic buildings that are the core of good urban design. The music movement continues to highlight original artists and influence live entertainment options throughout the district.

With the demolition of the blue parking ramp and damage to the yellow ramp elevators parking capacity and accessibility issues are compromising on street turnover and could ultimately impact our ability to retain critical retail businesses and the Building for Kids Children's Museum. As future developments offer new parking solutions, accessibility and increased capacity will need to be part of the formula for a successful system.

Statistics indicate that Appleton is one of the safest cities in the country. However, as more people come downtown there are more security incidents and a concern about the safety of downtown. More crowds also make it challenging to keep our downtown clean. Downtown cleanliness is of utmost importance. Increasing the accountability of the CARE program is expected to improve downtown cleanliness.

The City of Appleton Dignity and Respect campaign continues to foster strong collaboration in our community's efforts to become more inclusive and welcome. ADI has much to learn and our goal continues to include a better understanding of how we can make positive improvements. We look forward to our partnership to share the Inclusive Business Training sessions with our Downtown members.

Our work to create One Great Place is also about talent attraction. As the premier arts and entertainment district of the Fox Cities, downtown is a quality of life benefit highlighted by employers throughout the region to attract and retain a talented workforce. Employees are more often making a decision on job selection based on community and quality of life. By adopting a creative placemaking approach to activating public spaces, recruiting a healthy business mix and integrating public art, we position downtown for employment growth and increased residential capacity.

# Forward

For the next year, the ADI and BID boards will continue to advance the four imperatives for advancing ADI's Mission:

- 1. Promote Downtown living options and amenities to attract residents.
- 2. Play a more integrated role in business recruitment and retention efforts in partnership with Downtown property owners with a focus on sustaining a strong retail environment.
- 3. Curate walkability and livability enhancements throughout the district.

4. Increase communication and interaction with downtown business owners to encourage more engagement and cross promotion.

The Chapter 14 Downtown Plan will be implemented through seven initiatives and their associated strategies. The BID/ADI/CDA Plan aligns its work plan within the following initiatives and strategies.

### To Planning Commission and City Council Members,

The Business Improvement District (BID) was established in 2001 and continues to work to promote, attract and protect public and private investments within the district in cooperation with the City of Appleton, including implementation of the Downtown Plan (Chapter 14 of the Comprehensive Plan). The BID contracts with ADI to preserve and improve economic, cultural, and social conditions within the district by facilitating partnerships of people and organizations to achieve mutual goals.

Since adoption in 2001, the BID operates annually with an assessment rate of \$2.50 per \$1000 of assessed value with a minimum of \$250 and a maximum of \$5000. The annual BID budget support is distributed in the following areas:

- 35% Marketing and promotions
- 25% Economic Development grants and recruitment
- 25% Staff support
- 10.5% Maintenance and security
- 4.5% Administration and BID audit

The BID Board of Directors is proposing to increase the BID rate by 10% to \$2.75 per \$1000 of assessed value including the minimum to \$275 and maximum to \$5500. The new rate would generate an additional \$20,527 to the 2020 annual budget. (Exhibit A)

As the district is attracting many redevelopment and renovation projects, we are currently experiencing a high demand on our Façade Improvement grant program. As new commercial space becomes available, the Business Recruitment grant program will also be in high demand.

Additionally, we have been challenged with limited funding to provide adequate maintenance throughout the district. We currently partner with Riverview Gardens and the City of Appleton to provide daily sidewalk clean up but more time and attention is needed on side streets and gum removal to meet the high standard of cleanliness expected in Downtown Appleton.

With additional dollars, the BID Board would like to increase grant funding available for the Façade Improvements grant program to \$30,000 and Business Recruitment grant program to \$15,000. They would also like to expand the maintenance program to \$30,000 to provide the flowers in the planters, more general clean up on side streets, detailed maintenance such as weed and graffiti removal and more gumbusting to remove gum stains.

The BID Board of Directors will provide an opportunity to hear from the property owners within the district regarding this proposed increase. Board members and Jennifer will be available
