- * Utilize the City's website for voter outreach and education
- * Provide effective training for all election inspectors
- * Streamline polling place procedures and materials
- * Effectively assist local candidates and maintain campaign finance reports
- * Implement new election equipment and related processes that are more effective and efficient in election administration
- * Secure more election workers for the 2020 election year

Major Changes in Revenue, Expenditures or Programs:

The Clerk's Office will be holding four elections in 2020 including two with presidential races on the ballot. Additionally, there are municipal contests with the Mayor and City Attorney on the ballot in the spring. Due to the increased number of elections in comparison to 2019 (two regular plus one special election), costs related to staffing, supplies, equipment and facility rental have increased in the 2020 Budget.
