CITY OF APPLETON 2020 BUDGET FINANCE DEPARTMENT Finance Director: Anthony D. Saucerman, CPA Deputy Finance Director: Jeri A. Ohman, CPA

MISSION STATEMENT

For the benefit of all City departments, the Common Council, and the Mayor, in order to assist them in meeting program delivery objectives, assure compliance with government policies, and safeguard the assets of the City, we will provide financial management, billing, and collection services.

DISCUSSION OF SIGNIFICANT 2019 EVENTS

Worked with the Human Resource Department and consultant in completing a GASB 75 OPEB study for the 2018 audit; completed the 2018 audit with an unqualified audit opinion on the financial statements and no audit findings

Began the 2020 budget process

Conducted quote process for Citywide custodial supplies, resulting in no cost increase and locking in prices for an additional year

Worked with the Human Resource department in updating the City Travel Policy

Worked with other City departments and developers in finalizing the development agreements for Gabriel Lofts, Fore Development LLC, and 320 E College LLC

Worked with other City departments in developing an intermunicipal agreement to provide water and wastewater services to the Town of Clayton and amending the agreement for water and wastewater services to the Cherryvale area of the Village of Little Chute

Worked with parking staff to switch to an online suspension reporting system to be more efficient and timely with the Department of Transportation

ERP system implementation – continued work on the payroll and human resources modules, currently slated to go live as of the first payroll of October, and the property tax collection and cashiering modules, scheduled for early December

Primary Concentration for Remainder of Year:

Complete the 2020 budget

Complete the issuance of 2019 capital projects funding bonds

Complete the conversion of payroll, property tax collection, and cashiering processes from legacy systems to the Tyler Munis ERP system

Relocate first floor customer service staff while still providing quality customer service during the remodeling of the customer service area

Begin planning for the upgrade of the Tyler Munis ERP system to the most recent version of the software

MAJOR 2020 OBJECTIVES

Accurately record financial transactions and provide centralized accounting services to City departments in order to verify their public purpose and compliance with the various sections of the ordinances and budget

Provide knowledgeable, courteous customer service to all individuals who contact the department with questions and/or concerns. Continue to coordinate changes to the customer service area on the first floor insuring adequate training and staff involvement. Proactively offer solutions to challenges that arise keeping customer service the primary focus

Maintain a sound bond rating in the financial community assuring taxpayers that the City is well managed by using prudent financial management practices and maintaining a sound fiscal condition

Continue development of electronic payment options for City services in conjunction with new ERP system

Continue performance-based budgeting incorporating continuous improvements and provide education and support for departments

Train staff and continue to focus on technology improvements that will allow the department to meet the demands of a growing City as efficiently as possible

Promote a department working environment conducive to employee productivity, growth and retention

Provide opportunities for staff to cross-train in various positions in the department

Improve communication of budget procedures, monitoring of budget to actual results for the current year and education of future implications for the City

Continue to work with the Community Development Specialist to ensure compliance with grant covenants and single audit requirements

Begin upgrade of ERP system to current release version and begin implementation of work order and fixed assets systems

Continue to work with outside departments on the new ERP system and implement efficiency measures to streamline various accounting functions throughout the City

PROGRAM MISSION

We will provide training and supervision to the Finance Department in order to provide for the overall direction, coordination and support of the activities of Finance staff.

PROGRAM NARRATIVE

Link to City Strategic Plan:

Implements Key Strategies # 3: "Recognize and grow everyone's talents" and # 4: "Continually assess trends affecting the community and proactively respond".

Objectives:

Provide cost-effective administrative management to support the activities of the Finance Department

Provide education and training opportunities for our employees to promote personal and professional growth and development

Initiate systematic changes by examining existing procedures and technological needs

Provide support to department staff and ensure staff performance is evaluated accurately and fairly

Major changes in Revenue, Expenditures, or Programs:

The measures below related to staff training and updating manuals are lower for 2018 and the first half of 2019 as a result of the transition to the new ERP software. These measures are improving as staff continue to gain fluency in the new system and we expect them to attain targeted levels soon.

Billing & Collection Services

Business Unit 11520

PROGRAM MISSION

For the benefit of all City departments and various other government entities, in order to collect all revenues authorized by policy in support of program delivery objectives, we will provide centralized billing, collection, and information services.

PROGRAM NARRATIVE

Link to City Strategic Plan:

Implements Key Strategies # 2: "Encourage active community participation and involvement" and # 4: "Continually assess trends affecting the community and proactively respond".

Objectives:

Provide an efficient, centralized collection location for convenient payment of all City-generated billings via mail, drive through, night deposit, or walk-ins.

Improve cash receipting speed and accuracy with formalized procedures and improved systems.

Continue the expansion of debit, credit card and internet payment options when financially feasible

Provide a favorable impression of the City by maintaining a working knowledge of all City departments and keeping the internal general information guide updated in order to direct and inform customers

Provide professional and courteous service

Maintain parking ticket records and issue reminder and state suspension notices to ensure the proper amount is collected

Major changes in Revenue, Expenditures, or Programs:

The increase in City copy charges reflects the increased cost of color toner for the new color printer/copier. The ability to print in color has become necessary in order to efficiently present and interpret certain spreadsheets, graphs, charts and maps.

Support Services Business Unit 11530

PROGRAM MISSION

We will provide financial services and support to all City departments in order to assist them in meeting program delivery objectives, assure compliance with government policies, and safeguard the assets of the City.

PROGRAM NARRATIVE

Link to City Strategic Plan:

Implements Key Strategies # 1: "Responsibly deliver excellent services" and # 4: "Continually assess trends affecting the community and proactively respond".

Objectives:

Serve as the collection point for all payroll data and process the City's payroll and complete related reports

Produce timely payments to employees and vendors to maintain a high level of credibility

Continue to expand the use of credit card payments to suppliers in order to maximize annual rebates and streamline the vendor payment process

Account for real and personal property taxes in a timely and efficient manner

Provide administration of the City's accounts receivable and collection functions (NSF, collection agency, special assessments)

Provide accurate service invoices for the City and produce reminder notices for delinquent accounts

Provide financial reporting and coordinate the annual City audit

Actively identify and pursue local and regional cooperative purchasing opportunities

Provide departmental assistance in evaluating the financial implications of projects

Major changes in Revenue, Expenditures, or Programs:

2019 accounting fees included the cost of an actuarial study for the post employment benefits fund, which is required every other year. The next study will be performed in 2021.

The percent of months closed within 10 days (below) has declined due to the transition to the new ERP system but is expected to improve in the second half of the year as the new system is integrated into the department's workflow.
