I. PURPOSE

To outline the guidelines utilized for administration of the compensation plan.

II. POLICY

It is the policy of the City of Appleton to provide competitive compensation to attract and retain competent staff and to encourage and reward superior performance within the financial resources available.

III. DISCUSSION

This policy provides the current salary administration guidelines. This policy is subject to change with approval of the Common Council. The Human Resources Director shall be responsible for the administration of the compensation policy.

IV. DEFINITIONS

A. Fair Labor Standards Act (FLSA): A federal act that sets minimum wage, overtime pay, equal pay, record keeping and child labor standards for employees who are covered by the act and who are not exempt from specific provisions. An employee classified in the compensation plan as “Exempt” is not eligible for the overtime compensation provisions of FLSA.

B. Base Pay: An employee's initial rate of compensation, excluding extra lump sum compensation,

shift differential etc. An employee's base pay can be expressed as a base hourly rate of pay or as an annual salary.

- C. Compensation Plan: A schedule of pay ranges listing the job classifications Minimum, Maximum and Control Points. All regular positions shall be placed in one of these ranges based on a job questionnaire and point factor job evaluation.
- D. Emergency: For purposes of this policy, an emergency shall be defined as an unplanned, significant event that affects the operation, or service level of the department (as determined by the Department Director and/or the Mayor)
- E. Interim Assignment: When an employee is assigned to a different position on a temporary basis, because of a vacancy.
- F. Job-Questionnaire (JQ): A job analysis that outlines the responsibilities and the requirements necessary to perform the functions of the position. The JQ is utilized to evaluate the position responsibilities using the City's point factor job evaluation system for allocation to the appropriate pay grade. A JQ also functions as the key document for pay plan maintenance.
- G. Non-base pay adjustment: Pay adjustments generally in the form of a lump sum or other forms that do not increase the employee's base pay.
- H. Red-circled: The maintenance of an employee's pay rate above the established range maximum. An employee whose pay rate is at or above the range maximum may be eligible for a non-base performance adjustment.

V. PROCEDURES

A. DETERMINATION OF PAY RANGES

The compensation plan shall be based on the principle of equal pay for equal work. Pay ranges within the compensation plan shall be determined with regard to factors including, but not limited to: uniformity of pay for each class; relative difficulty, complexity, and responsibility of work; competitive recruiting, education and experience requirements; and prevailing rates of pay for similar jobs in public and private employment as determined by the City.

B. ENTRANCE PAY RATE

The entrance pay rate shall be within the Minimum and the Control Point of the pay range. All appointments (including department heads) above the Control Point must be authorized, in advance, by a majority of the Mayor, Human Resources Committee Chair and Human Resources Director.

- C. RECLASSIFICATION The Position Classification Review Process is the method for determining pay range assignment of new positions or reclassification actions involving substantial changes in the duties and responsibilities of an existing position.

(a) Classification or Reclassification Consideration

A request for reclassification of a current position or the classification of a new position may be initiated by a staff member seeking reclassification, by the staff member's department director, or by the Human Resource Director. Requests for reclassifications may occur throughout the year as positions are created or become vacant.

Reclassification consideration for existing positions requires that the employee and the department director document substantial changes in existing duties since the most recent review. Duty changes may be from substantial, immediate reassignment of duties due to reorganization, or may be the result of a logical and gradual change of responsibilities over a period of time.

To be considered for reclassification, changes should be stable and typically should have been in effect for at least six months preceding the reclassification request so that it is clear that the changes that exist are likely to remain for some period of time. Reclassification will not be considered for temporary changes in duties.

A request for classification or reclassification consideration must be in writing and include a new JQ with notes indicating duties that have changed since the last review. The Questionnaire must be completed and signed by the employee, then reviewed and signed by the supervisor and department director. The supervisor and department director must verify or comment on the accuracy of the responses.

(b) Review of Requests

Following internal review by the Human Resource Director, the Human Resource Director may submit the Questionnaire and any supporting documentation to the consultant for evaluation if the criteria for reclassification is met. If the reclassification is appropriate, the consultant will recommend a grade assignment for the position. The consultant may request further information from the Human Resource Director and may request that other positions affected by the reclassification changes be reviewed as well.

(c) The Employer's Response to the Consultant's Recommendations

The employee and the department director will be informed of the final decision in writing. The effective date of any compensation changes will be based on the specific circumstance of the reclassification.

D. COMPENSATION PLAN COMPONENTS

(a) Pay Range Adjustment

Pay Range adjustments are typically made on an annual basis. The Human Resources Director shall recommend such adjustments to the Mayor and Finance Director based on the general level of pay adjustments in the job markets where the City competes for its staff, as well as internal adjustments (e.g. collective bargaining settlements). These adjustments are also made in consideration of general changes in cost-of-living indices.

The adjustment takes the form of an adjustment to pay ranges with the goal of maintaining market competitiveness of the pay plan.

No increase will be made to an employee's pay as a result of a pay range adjustment.

(b) Pay for Performance

The amount allocated for performance pay shall be established each year by the Mayor and included in the annual budget, subject to approval by the Common Council. Upon approval of the budget the amount will be divided and allocated to each individual department based on total base wages of eligible employees within the plan. Upon conclusion of the annual employee performance review process, individual department directors will then divide the allocated amount to individual employees within their department based on the employee's annual performance evaluation score.

~~The maximum Pay for Performance Adjustment shall not exceed the approved Pay Range Adjustment plus 3%.~~

E. PAY RATE ADJUSTMENTS

The Human Resources Director and the applicable Department Director shall determine the pay status of an employee based on the following:

- (a) Transfers - When an employee is transferred from one class to another with a common pay range, he/she shall continue to receive the same pay rate unless a different rate is deemed appropriate.
- (b) Promotion - When an employee is promoted from one class to another having a higher pay range, he/she shall receive an increase as deemed appropriate but not to exceed the Control Point of the range unless approved by the Committee as outlined in the above Entrance Pay Rate section. If the employee's pay rate is higher than the control point of the new position prior to promotion, no authorization is needed from the Committee. For consideration of placement into the new salary range, such factors as the average value of overtime lost, average value of extra hours worked in a non-exempt capacity as well as other internal and external factors shall be considered.
- (c) Demotion - When an employee accepts a position in a lower pay grade for any reason, a rate of pay shall be determined. For consideration of placement into the new salary range, such factors as experience, qualification, length of service, average value of overtime lost and the level of pay similar to employees in the pay range shall be considered.
- (d) Upward Re-Classification - When an employee's position is reclassified into a higher pay grade, the reclassification shall be treated the same as a promotion under (b) above.
- (e) Downward Re-Classification - When an employee's position is reclassified into a lower pay grade, the reclassification shall be treated the same as (c.) above.
- (f) Equity Adjustments
Equity adjustments are salary changes outside of the normal salary programs (as listed above) to remedy salary issues such as external pressure in high demand areas, internal salary compression, and/or retention considerations.

F. MINIMUM AND MAXIMUM RATES

Generally, an employee shall be paid within the pay range of his/her position.

An employee may be paid below the minimum of his/her pay range as the result of not receiving a pay adjustment due to their performance.

An employee who receives a base pay adjustment cannot exceed the maximum of their pay range.

In the event of a reclassification, or re-evaluation of a pay range that results in an employee's pay falling outside the maximum of the newly assigned pay range, such employee's pay rate may be red-circled.

G. OVERTIME

- (a) Employees in the Compensation Plan who meet the exemption under the Fair Labor Standards Act shall be exempt from all premium pay provisions except as otherwise outlined in this policy.
