Meade Street, from Pacific Street to Commercial Street, be reconstructed with concrete pavement and curb and gutter. The dimensions of the Meade Street reconstruction project are as follows:

Pacific St - Hancock St: New concrete pavement to be constructed to a width of 33' from back of curb to back of curb, which is the same width as the existing street within this portion of the project. On-street parking would be restricted along the east side of Meade Street within this portion of the project.

Hancock St - Commercial St: New concrete pavement to be constructed to a width of 43' from back of curb to back of curb, which is the same width as the existing street within this portion of the project. Existing on-street parking to remain unchanged within this portion of the project.
