**File #:** 21-1155, **Version:** 1

---

**Bartell Drive**, from Prospect Ave to Pine Street, be reconstructed with asphalt pavement and concrete curb & gutter to a width of 33' from back of curb to back of curb, which is 4' narrower than the existing street. Intersection geometry at Charles St, Hickory St, and Riverdale Dr to be modified to reduce the amount of pavement and create more traditional T-intersection layouts. New concrete sidewalk to be constructed along both sides of Bartell within the project limits. Existing parking provisions within the project limits will remain unchanged.
