Title: Request the Approval of the Electronic Compliance Maintenance Annual Report (eCMAR) for 2018 (attached) and Request the following Resolution be presented to the Common Council for approval:

Whereas, the City of Appleton has successfully been operating a biosolids compost program in cooperation with the Outagamie Department of Solid Waste; and

Whereas, Outagamie County has committed to continue to allowing biosolids composting during the next five years on over five acres of County property; and

Whereas, the City of Appleton had applied for and has now been re-issued a Wisconsin Pollution Discharge Elimination System (WPDES) permit; and

Whereas, the WPDES permit application requested and the facility was approved for a biosolids compost program and outfall; and

Whereas, the City of Appleton now meets requirements of NR 204 for biosolids storage due to the reissuance of the WPDES permit as of April 1, 2017;

Now, therefore, be it resolved by the City Council that the City of Appleton:

Article 1. Continues supporting an active biosolids compost program.

Article 2. Continue planning for a long term composting facility as the County site is limited to the next five years.
