#6-R-14/Jirschele -

Whereas it is important to the City of Appleton to maintain a safe and vibrant entertainment component to its commercial entertainment opportunities, and

Whereas protecting the tax base and avoiding vacant buildings or blighted areas is an important element of Appleton's municipal and financial health,

Be it resolved that Appleton's Community and Economic Development Department be directed to review the city's municipal codes regarding the revocation of a liquor license-particularly Code section 9-54-and

- a) Outline the economic and development ramifications/implications of the codes as they now stand, and
- b) Offer possible alternatives that may serve the intent of municipal code, yet serve the economic and development concerns of the community as well, and

Report to the Community and Economic Development Committee of the Appleton Common Council at its first meeting in April, 2014.
