Legislation Text

File #: 15-759, **Version:** 1

Grant Street:

Grant Street, from Nicholas Street to Mason Street, be reconstructed with asphalt pavement and concrete curb and gutter to a width of 31' from back of curb to back of curb, which is two (2') feet narrower than the existing street. Narrowing the street by 2' will save approximately 13 street trees. Current on-street parking would remain unchanged.
