Legislation Text

File #: 15-760, **Version:** 1

Harriman Street:

Harriman Street, from Atlantic Street to Winnebago Street, be reconstructed with asphalt pavement and concrete curb and gutter to a width of 24' from back of curb to back of curb, which is the same width as the existing street. New 4' wide sidewalk would be constructed to the Right-of-Way line along both sides of Harriman within the project limits. Current on-street parking would remain unchanged.
