Legislation Text

File #: 15-2015, **Version:** 1

Approve design for Calumet Street portion of the 2018 S. Oneida Street Concrete Reconstruction Project as follows:

Calumet Street from 650' west of Oneida Street to Jefferson Street: reconstruct the roadway with concrete pavement to accommodate two thru lanes in each direction, bike lanes in each direction, left turn lanes on to Oneida Street and a right turn lane from eastbound Calumet Street on to southbound Oneida Street. Construct a 6' wide sidewalk tight to the back of curb on both sides.
