Legislation Text

File #: 16-679, **Version:** 1

1216 S. Oneida St. (31-4-0420-00) The applicant proposes to build a protective covering over the outside patio area in the front of the building. The support posts for this covering would extend 12" from the building or 6' 2.75" from the nonconforming front property line. Section 23-113(h)(4) of the Zoning Ordinance requires a minimum front yard setback of ten (10) feet.
