---

Telulah Avenue from Calumet Street to Marion Street, be reconstructed with concrete pavement to a width of 40.5' from back of curb to back of curb. Project will include two travel lanes (one in each direction), bike lanes along both sides of Telulah Avenue, and a parking lane along the east side of Telulah Avenue. Parking to be prohibited along the west side of Telulah Avenue within the project limits. The west terrace width to be 5' to accommodate the planting of new trees, with the east terrace width to be 4.5'.
