Rule 16. **Amendment(s)** - Any motion for an amendment on an action item on the Council Agenda requires two votes: 1) to get the amendment accepted or declined; 2) if accepted, action to be taken on the motion as amended. Once an amendment has been proposed, that amendment ~~shall be resolved prior to the introduction of a second amendment.~~ may be amended a second time (amendment to an amendment); however, Robert's Rules does not permit a third amendment in this sequence (amendment to the third degree).
