

CITY OF APPLETON

MEMORANDUM

Date: 5/11/26
To: Municipal Services Committee
From: Eric Lom, P.E., City Traffic Engineer
Subject: Request to award Unit P-26 Pavement Marking Maintenance Contract (Epoxy) to Brickline, Inc. in an amount not to exceed \$185,174.65

Quotes were opened for the *Unit P-26 Pavement Marking Maintenance Contract* on May 4, 2026, as a means of establishing unit prices for this annual maintenance contract, which generally involves the installation and replacement of durable epoxy longitudinal and transverse pavement markings throughout the City.

Quotes were solicited from the only two contractors that provide this service in Wisconsin that we have had positive experiences. Brickline, Inc., of Madison, Wisconsin, submitted the low quote with a total amount of \$170,174.65, which is 7% below our engineer's estimate of \$183,118.

Based on this, Department of Public Works recommends award of the contract to Brickline, Inc., in an amount not to exceed \$185,174.65 (which includes an additional \$15,000 for unanticipated work). This dollar amount is based on the combination of available budgeted funds for pavement marking maintenance and pavement markings that will be completed for other city projects.
