

# Toast Age Verification Instructions

1. On Toast Click "Drinks"

2. Click "Verify Age"

3. Click "Verify Age"

4. You will be prompted with this screen - Do not touch the screen at this point

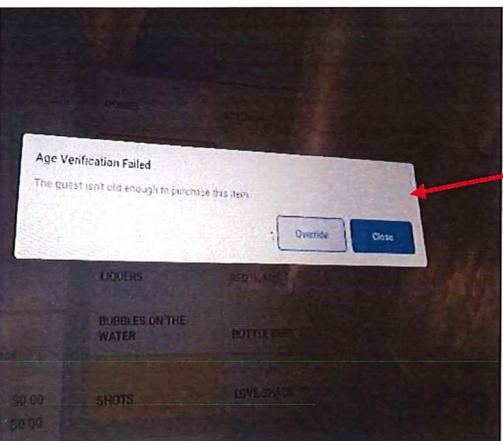

5. Using the scanner pictured to the left, scan the LARGE barcode on the back of the ID. You may need to cover the small barcode with your finger.

6. After the ID is scanned and the system verifies the guest is over 21 years old, a GREEN "ID VERIFIED" bar will appear on the guest check at the top of the Handheld or Terminal Screen. This means the guest is over legal drinking age and can be served alcohol.

## \*\*\*NOTICE\*\*\*

If a guests is not of legal drinking age, a box pictured to the left will appear on the screen that reads " Age Verification Failed. The guest isn't old enough to purchase this item." If this message appears for any reason, it is the policy of Supple Group NOT to serve the guest. All Guests that appear to be under the age of 35 MUST be carded. If any guests are asked for thier ID, it is the policy of Supple Group that the ID be scanned into the new WE SCAN ID system in Toast using the steps above.
