

# CITY OF APPLETON

## MEMORANDUM

**Date:** 1/12/26  
**To:** Municipal Services Committee  
**From:** Connor Deeg, E.I.T, Traffic Engineer  
**Subject:** Request to approve parking changes on the 1500 block of N. McDonald St  
(*follow-up to a 6-month evaluation*)

---

In response to a citizen's request, the City's Traffic Section recently assessed the possibility of removing the *Two-Hour Parking* restriction on the west side of McDonald St between Randall Av and Woodland Av. Based on the initial review, it appeared the restriction may no longer be needed as the parking behaviors and nearby land use had changed since the restriction was enacted in 1996.

The evaluation period was initiated in July of 2025. It included removing the *Two-Hour Parking* (7:00 a.m. to 5:00 p.m.) restriction on the west side of the street (See Figure 1 below).

This arrangement has had the desired effect, and the Traffic Section has not received any feedback from the community. Based on this, it is recommended the changes be made permanent. To accomplish this, the following ordinance change is necessary:

1. Repeal Ord. 116-92: "Parking be restricted to two (2) hours from 7:00 a.m. to 5:00 p.m., Saturdays, Sundays and Holidays excepted, on the west side of McDonald Street from the north right-of-way line of Randall Avenue extending 190' north."
