Re: Proposed traffic ordinance changes related to the 2013 Ballard Road Reconstruction Project

The following traffic-related ordinance changes are necessary to implement the approved plans for the 2013 Ballard Road Reconstruction Project. The signage necessary to implement these changes would be installed as project phases are completed.

To accomplish this, the following ordinance action is required:

1. **Create:** "Parking be prohibited on the south side of Glendale Avenue from Ballard Road to a point 390 feet east of Ballard Road."
2. **Create:** "Parking be prohibited on Glendale Avenue from Ballard Road to a point 215 feet west of Ballard Road."
3. **Create:** "Parking be prohibited on Pershing Street from Ballard Road to a point 215 feet west of Ballard Road."
