RE: Action: Approval of Sourcewell Six-Year (2026-2031) Golf Cart Lease with Yamaha Golf & Utility for the Annual Amount of \$57,175

Reid Golf Course requires a fleet of golf carts for operations. The lease ending December 2025 included 40 fleet carts, 2 UMAX beverage carts and was a six-year lease. The 2026 sourcewell lease from Yamaha Golf & Utility will include 48 fleet carts, 2 UMAX beverage carts and 1 UMAX Dedicated Range Picking Cart. Reid Golf Course's 2026 budget includes \$60,000 for the new lease.

Rounds played have increased 33% since 2020. 62% of rounds in 2025 included cart usage compared to 54% of rounds in the past. The increase in carts for the new lease is based on demand over the previous years increase. The additional 8 units will alleviate peak demand issues that staff experiences.

Yamaha Golf & Utility held the previous lease with no major issues throughout. Staff recommends awarding the sourcewell lease to Yamaha Golf & Utility in the amount of \$57,175.
