Good Afternoon, Christopher

My name is Terrill Harvath owner of the Wishing Well Bar & Grill for 37 years. I recently had a compliance check for serving 21 and older but my Bartender fail. Not sure how, the Officer said she checked the ID but failed doing the Math. I have a letter asking me to attend your committee on March 11th to explain what I am doing to prevent this from happening. I cannot make that date as I am out of town. But to assure you I did immediately purchase a digital clock that tells the date of a 21 and older so as this does not happen. Not sure if this is sufficient or if there is something other I should do.
